Parade Of New Weapons Marks Soviet Celebration

Malinovsky Hurls Attack Against U. S.

New Defense Chief Claims Russia Can Stop Any Aggression

MOSCOW (U)—The Soviet Union celebrated its 40th anniversary today with a parade through Red Square of new weapons to give its armed forces greater mobility and more rocket power.

In a swift march past leaders of the Communist world, the annual Nov. 7 parade showed new heavy armor including a pair of long distance missiles, one of an estimated 20-foot length.

Foreign observers in the reviewing stands estimated that most of the 38 major rockets shown in various sizes and types were tactical rather than strategic weapons, designed for direct support of ground troops.

Attacks U. S.
In his first public appearance since he replaced Marshal Georgi Zhukov as defense minister, Marshal Rodion Y. Malinovsky made the speech of the day attacking the United States and assuring the Russians could meet any attack. Standing atop the Lenin-Stalin tomb, where Zhukov had reviewed the last five military parades, Malinovsky asserted: "Aggressive foreign circles, notably in the U. S. A., pursue a policy aimed at increasing international tension, preventing disarmament and threatening mankind with the dangers of atomic war."

"The Soviet people," he declared, "ardently desire peace," but "the Soviet armed forces are capable of crushing any aggressor should he attack our country."

Clouds Halt Planes
Heavy clouds prevented the usual flypast of new Soviet planes. But in front of the Kremlin, rockets dominated the packed crowd's attention.

The parade of missiles started slowly with a show of conventional multiple-rocket launchers for battlefield use. Then came larger mobile rocket launchers mounted on tank chassis—some of them amphibious. Finally came a group of launchers capable of handling up to 12-inch missiles in series of half a dozen each.

For the first time, the various launchers were shown this year with rockets in place.

There were two sizes of massive rockets possibly intended for (Continued on Page 2, Col. 3)

Shanley Eyes Senate Seat

BERNARDSVILLE, N. J. (U)—Bernard M. Shanley announced today his candidacy for the Republican nomination for the U. S. Senate.

The seat to which Shanley aspires is now held by New Jersey Republican Sen. H. Alexander Smith, who will be 78 in January.

The 54-year-old lawyer, who resigned yesterday as appointments secretary to President Eisenhower, said in a statement from his home that the Republican party must win in the 1958 congressional election to back the national administration and must win at the local level to strengthen the GOP.

His announcement came less than two days after the Republicans suffered a setback in New Jersey in the defeat of State Sen. Malcolm S. Forbes for the governorship by Democratic Gov. Robert B. Meyner.

Accused Marines' Lawyer Charges Attack By Sailors

TOKYO (U)—The American lawyer for 16 U. S. Marines charged with brutality to naval prisoners claimed today that sailors at the Sasebo Navy Base have attacked and beat up three of his clients.

The Navy had a different version. The 16 Marines are charged with maltreating Navy prisoners in the brig at Sasebo, in southern Japan. No date has been set for their courts-martial.

Atty. Frank H. Scolinos, who practices in Tokyo, claimed that Pfc. Owen J. Booth, 22, of Scranton, Pa., and Frank K. Pasternak, Jr., 22, of Chicopee, Mass., "were jumped upon by about eight sailors" as they left a snack bar near their barracks Saturday.

Scolinos said on Sunday Anthony F. DeFrancis of Newark,

FATAL CRASH — Robert J. Johnson Jr., a Providence, Mass., soldier, was killed early today when his car hit a chartered bus headed. Ten bus passengers escaped injury but the bus driver was hospitalized. (AP Photofox)

Letter Hints Russians Kill Ex-Diplomats

Burgess, MacLean Fate Described In Note Given Solon

LOS ANGELES (U)—A letter slipped into the pocket of an American congressman visiting Russia contained strong hints that former British diplomats Guy Burgess and Donald MacLean may have been liquidated by the Soviets, the Examiner said today.

In a copyrighted story by Carl Greenberg, the newspaper's political editor, Rep. Glenard P. Lipscomb (R-Calif.) was quoted as saying the letter was placed in his overcoat pocket in the checkroom of a hotel in Stalingrad last Oct. 9.

Lipscomb said the letter author related that he hated communism "like the majority of Russians" and wanted to promote its destruction.

The congressman said he did not discover the letter until he boarded a plane in Moscow for a flight to Stockholm. Upon his return to this country, Lipscomb said, he had the letter translated and advised the "proper authorities."

Burgess and MacLean fled England in 1951 while under British security watch. On Feb. 11, 1956, they showed up in a hotel room in Moscow, to which newspapermen were summoned.

The two men denied then they had been Communist agents but acknowledged that they had been Communists since their college days.

Six Killed When Train Hits Auto

LA PORTE, Ind. (U)—Five women and a teen-age boy were killed last night when their car was struck by an eastbound New York Central passenger train at a rural crossing near the La Porte-St. Joseph County boundary line.

Officers said the driver of the car apparently had waited at the double-line track to let a west-bound freight train pass and then started up into the path of the eastbound passenger train.

A Navy report said the two Marines were not attacked Saturday but that the fracas snowballed from a fist fight between two men. The report said four sailors, not eight, were involved.

Of the fight Sunday, a Navy spokesman said the Marine—not the sailor—did the challenging and "the fight was conducted in the gym under the Marquis of Queensbury rules."

U. S. Awaits New Russia Space Move

Scientists Train Telescopes On Moon In Case Try Made

WASHINGTON (U)—U. S. scientists watched closely today for any spectacular new Russian venture into space to celebrate this 40th anniversary of the Bolshevik Revolution.

Western technicians have speculated the Soviets might try to land a rocket on the moon or announce some other spectacle as a follow-up to their launching of two earth satellites.

The Russians, crowing over their scientific achievements, have given no indication of immediate plans to reach the moon, some 235,000 miles away. However, some Soviet scientists have said such a feat is within reach.

Telescopes Set On Moon

Telescopes at the Naval Observatory were trained at the moon last night, as they have been for some time in connection with astronomical studies related to the International Geophysical Year.

Cmdr. W. M. Robinson, acting superintendent of the observatory, said "We're not just looking to see if a red star suddenly blossoms on the moon. But if anything hits the moon we expect to see it."

The Soviet news agency Tass said in Moscow last night that Laika, the little dog strapped inside Sputnik II, was in satisfactory condition after four days in the sky. The Russians have said they are getting radio information from the satellite on Laika's heart action, blood pressure and breathing.

Completes 54th Trip

Tass said Sputnik II completed its 54th trip around the earth last night. This satellite was launched last Sunday. The Soviet news agency said the first Russian space vehicle, a small sphere, had completed 300 circuits and its carrier rocket had finished 520 round trips. Sputnik I, accompanied by the rocket that pushed it aloft, has been in orbit since Oct. 4.

Dr. Fred L. Whipple, director of the Smithsonian Astrophysical Observatory, said there still had not been enough accurate U. S. observations to permit American astronomers to make exact predictions of Sputnik II's orbit. He said data received so far allows predictions that are accurate to within one degree.

Reds Force Extra Work

VIENNA, Austria (U)—Tens of millions of persons in Russia's European satellites were required by their Communist rulers to celebrate Moscow's 40th jubilee anniversary with overtime work today.

Observers noted the brightness changed until it was almost as dim as a faint star approximately every few seconds. This was because the object was tumbling in space.

The satellite was estimated to be only a little more than 150 miles high.

The full moon also attracted attention in the western sky.

A lunar eclipse today was to be visible in the Far West, Hawaii and Japan.

Missiles Plant Posted As Bond In Traffic Case

MORRISON, Colo. (U)—The multimillion dollar Martin Co. guided missile plant in Colorado has been posted as bond for a company employee appealing a \$24 traffic fine. Justice of the Peace William Sawyer said yesterday he accepted the plant as a property bond to free John M. Gradoz, a laborer.

The plant, south of this Denver suburb, was put up by Raymond J. Turner, attorney who defended Gradoz on the traffic charges. Turner is a member of a Denver law firm which represents the Martin Co. in Colorado.

Gradoz was convicted Oct. 31 on state patrol charges of careless driving and driving without a chauffeur's license.

Turner said Gradoz was driving a Martin Co. truck that slid off a highway leading to the plant and overturned Oct. 22.

Convention Starts

INGRID, ROSSellini SEPARATE — Actress Ingrid Bergman and Film Director Roberto Rossellini, shown in Rome a week ago, today announced they are separating and will seek a divorce. An announcement by their attorney cited incompatibility. (AP Photofox)

'Character Incompatibility' Cited Ingrid, Rossellini, Separate In Rome

ROME (U)—Ingrid Bergman and Roberto Rossellini announced today they have separated and will seek a divorce. The dramatic breakup came eight years and three children after the lovely Swedish film star defied world opinion and gave up her good name for love.

The court record stated: "The separation and divorce will take place by mutual consent. Should it be necessary for any acknowledgment of culpability, this will be admitted by the husband."

Through a lawyer, they announced that the "separation is mutual because of incompatibility of character."

It was the first public acknowledgment by either the screen star or her director-husband of the marital rifts that had been reported when Rossellini was in India.

There, reports had said, his name became linked with that of exotic Indian cinema beauty Sonali Das Gupta. But Ingrid insisted they were still in love, even until the day when Rossellini returned about a week ago.

Eight years ago, the film star known for her dignity and her acting ability, gave up everything for love of the Italian director.

She had gone to Rome to act under his direction in the film, "Stromboli," and from Rome she announced she would divorce Dr. Peter Lindstrom.

On Feb. 2, 1950, she shocked the world by giving birth to a son — Rossellini's. She got a divorce from Lindstrom, leaving her 12-year-old daughter, Pia, who later changed her name to Jenny Anna, and wed Rossellini.

She and Rossellini five years ago had twin daughters.

She was reconciled during last summer with Jenny Anna, now 18, when the two toured Paris together. Until then, Dr. Lindstrom, who is on Utah University's medical faculty, had held out against her pleas to see her daughter.

Until this year, too, she had lived with Rossellini in virtual exile from Hollywood and the United States. Then she got the film critics award for her performance in "Anastasia," and made a brief visit to New York to accept the honor. The 40-year-old star also got an Oscar for her work in the film.

Living Standard Sub-Par

Soviet Works 62 Hours To Earn Pair Of Shoes

WASHINGTON (U)—The Foreign Agricultural Service chose today's 40th anniversary of the Bolshevik Revolution to draw some contrasts between progress under Russian communism and this country's democracy.

"The Soviet Union is making much of this date, and is alleging progress that the facts do not bear out," the agency said in its monthly magazine "Foreign Agriculture."

"Citizens of the Soviet Union learn little of the outside free world and have scant opportunity to compare their lot with that of citizens of non-Communist countries," it added.

Meeting Not Tied In With Talk Today

TV, Radio Address To Reassure Nation Of Science Progress

WASHINGTON (U)—President Eisenhower held a second expanded National Security Council session today. He called in the greatest attendance of outside experts ever brought into one of these top policy-making meetings.

Mrs. Anne Wheaton, acting White House press secretary, said there was no direct relationship between the meeting and Eisenhower's address tonight on science and security.

The speech from 8 to 8:30 p. m. EST is to be the first of a series of presidential addresses designed to reassure the nation about its scientific progress and security.

Moved Up Six Days
The series is on an accelerated schedule with this one moved up six days ahead of the original plan.

While the specific purpose of the Security Council session was not disclosed, Mrs. Wheaton told reporters that "Yes, I would say it is connected with all developments of the last week or ten days." That would take in the period of the launching of Sputnik II by Soviet Russia.

All told, some 45 persons gathered at the White House for the NSC meeting. Mrs. Wheaton said she thought it was the largest Security Council session ever held. It was too big for the usual session in the Cabinet room and was shifted in the broadcasting room in the basement of the White House proper.

Five Members By Law
The NSC has five members by law—the President, the vice president, the secretaries of state and defense and the director of the Office of Defense Mobilization.

Customarily, other top officials from the White House and executive agencies also are brought in, so that some 25 persons are present.

Added to the list today were the secretaries of the Army, Navy and Air Force and the chiefs of staff of the military services, plus members and advisers to the Science Advisory Committee of the Office of Defense Mobilization.

The Advisory Committee is headed by Dr. I. I. Rabi of Columbia University.

An enlarged NSC meeting was also held last week.

Although White House officials talked down the idea of any cause and effect connection, the speed-up in the Eisenhower speaking program followed a special Cabinet meeting yesterday and an announcement by Senate Democratic Leader Johnson of Texas of plans for a "searching inquiry" into the whole missile and satellite programs.

Flu Cases Up Over Million

WASHINGTON (U)—The Public Health Service reported today that there were at least 1,250,000 new cases of influenza or influenza-like disease during the week which ended last Saturday.

The incidence of outbreaks decreased in some states but increased in others.

Deaths from influenza and pneumonia in 103 cities totaled 856 last week — compared with 771 for the previous seven days.

This was an increase of 11 per cent, but a smaller percentage than the jumps during October. At the same time, the service reported a provisional tabulation based on household interviews which showed that from mid-July to mid-October there were a total of 37,600,000 cases of acute throat or upper lung infections severe enough to force persons to bed.

Russ Might Have Misfired Sputnik

PARIS (U)—A Parisian astronomer said last night the Russians may have misfired one of their Sputniks in mid-August.

Paul Coudere of the Paris Observatory told a capacity audience that the Haute Provence Observatory in southeastern France noted a "bizarre object" in the sky the night of Aug. 19 going toward the Mediterranean.

"We now believe it was without doubt an abortive attempt at launching a satellite," Coudere said.

Speedup In Rocket Plans, Sharing Of Secrets Urged

WASHINGTON (U)—Sen. Humphrey (D-Minn.) called on President Eisenhower today to back a speed-up of rocket development. White House press secretary, said the bipartisan talks will cover a full range of legislation.

Although Humphrey said Congress should be summoned into a special session, it was evident Eisenhower intends to wait for a conference with leaders of both parties to seek any legislation needed. Humphrey said Eisenhower should be ready to give congressional leaders his views on proposed legislation "to make possible the sharing and pooling of scientific information with our allies, including nuclear information and weapons."

40 Years Of Commie Power: Industry, Science Progress Amazes

By JAMES MARLOW
Associated Press News Analyst

WASHINGTON (AP)—Forty years ago today Communists seized power in Russia. What's happened in that time? What lies ahead?

In 40 years the Russians have made astonishing progress in industry and science. The progress has been concentrated in the fields of atomic and H-bombs, jet planes, missiles and earth satellites.

At least it will impress peoples who, still living in feudal societies, want to leap in a hurry into the higher living standards—it had 20th century. For many of them, who never knew democracy, communism is a new way of getting places than a demagogue forced to do without the modern conveniences and luxuries of the West — to bring Russia abreast of the West industrially in a rush, it worked.

No Visible Discontent

There is no visible discontent in Russia. Living standards can be expected to go up continuously as industrial-scientific development is expanded to meet more of the people's needs.

In one spot—the political system—Russia is still immensely backward. A comparatively small group of self-appointed leaders—perhaps 10 million out of more than 200 million people—still rule it by force.

Red party control is a little more relaxed than in Stalin's day. In time perhaps it too will undergo a change and become more democratic, permitting wider participation in government for one of two reasons: either through evolutionary change or the demands and pressures of the people as they become increasingly more educated and questioning.

Not Fixed Forever

No government remains fixed and frozen forever. History belies that thought.

On one thing the Red bosses of 1917 were wrong: they thought then world revolution was just around the corner. Disappointed in that, but aggressively crusading, they set out to bring about what didn't happen by itself.

In 40 years—by force and never by persuasion or open and free elections—communism has grabbed all of Eastern Europe, all of China, half of Viet Nam, and North Korea. Its influence is spreading in Asia and the Middle East.

The peoples of the European satellites have shown vast discontent with their Russian masters. That does not mean communism will spread without the use of Russian armies.

There are such weapons as infiltration, seizure from within, persuasion and example. The in-

MACARTHUR GETS ARMY FLAG — Gen. Douglas MacArthur, left, accepts U. S. Army flag from Secretary of the Army Wilbur M. Brucker, right, at ceremonies in the general's honor at Governors Island, N. Y., yesterday.

In center is former President Herbert Hoover. The flag, adopted in June, 1956, for use as a standard for the Army, weighs 47 pounds and has 145 battle streamers commemorating 11 wars. (AP Photos)

20 Stranded With Aircraft At Antarctica

Engine Failures Stir
Investigation Order
By Air Force Leader

MCMURDO SOUND, Antarctica. —Two Navy planes and 20 men were stranded at outlying U. S. Antarctic stations today by engine failures. The Air Force commander ordered an investigation of troubles plaguing his aircraft.

A Navy version of the two-engine DC3 lost the use of one engine yesterday while carrying spare parts to a Navy Neptune patrol bomber stranded at the South Pole.

Cmdr. Edward T. Frankiewicz of Rutland, Vt., ordered the spare parts jettisoned and the DC3 labored 45 miles to an emergency landing at a three-man station on the Beardmore Glacier about halfway between McMurdo and the South Pole. Ten men aboard the DC3 are now crowded into the station.

Need Replacements

The Navy indicated both the DC3 and the two-engine Neptune will need replacements of their engines.

The Neptune was carrying 10 persons on a flight to deliver five other men to the South Pole. One engine went bad during a landing there Oct. 26.

The Air Force continued to have trouble with its four-engine Globemasters, the backbone of U. S. aerial supply in Antarctica. Lt. Col. Duxon J. Arnold of San Angelo, Tex., called for a check on Globemaster engine generators.

Generator Trouble

Arnold said generator trouble had caused seven of 10 engine failures on Globemasters during 35 days of operations.

One of a Globemaster's engines quit yesterday as the plane headed from McMurdo to Byrd Station with a drop load. The plane had to turn back without completing the mission.

Walk Out Of Meeting

NEW DELHI, India (AP)—India's Red Cross delegation and 16 others, mostly Communist, walked out of the 10th International Red Cross conference today after it voted to seat Nationalist China.

Medically Ready: U. S. Employs Men To Test Space Travel

SAN ANTONIO, Tex. (AP)—The chief of the Department of Space Medicine at Randolph Air Force Base here said yesterday "in the field of space medicine, we're not behind anyone. The same things the Russians are finding out with their dog, we're finding out with men."

Dr. Hubertus Strughold, head of the department at the School of Aviation Medicine, said the stationary cabin used in testing man's reaction and ability to endure space flight has provided a tremendous fund of information.

"We're ready now for space flight, insofar as space medicine is concerned," he said in an interview.

He said there are some questions which can't be answered until a satellite is actually placed in flight, "but we could be ready today, or tomorrow, for such a step. All we need is for the technology to get ready."

Strughold has been working for the U. S. Air Force on space medicine projects since 1947. He said the work of the Russians possibly could eliminate some minor experiments by Americans necessary to launching of their own satellite.

As for the medical end of the problem, the doctor said Russian efforts thus far had confirmed many of the Randolph experiments.

Strughold said the space cabin simulator at Randolph is the "only one of its type in the world—that we know about."

In the sealed cabin, men are subjected to conditions that presumably would prevail in space with the necessary aids and protective devices that have been perfected during the school's experiments.

Ike Reported Planning Space Ship Launching

CHICAGO (AP)—The Chicago Tribune said today that President Eisenhower is actively considering a plan to launch a space ship bigger than Russia's Sputnik II by using big military rockets.

The New York Daily News, in a special dispatch from Washington, carried a similar story.

The Tribune's Washington story, quoting unnamed officials, said the earth satellite could be fired off within four months. It could circle the earth at a height averaging 600 miles. The newspaper stated, and carry mice, guinea pigs or monkeys or other animals to provide information for scientists.

Most Attractive Plan

The plan, the Tribune said, was reported to be the most attractive and most immediately attainable of more than a dozen proposals being studied by the Pentagon for submission to the President.

The newspaper said a top Pentagon official, unidentified, estimated that if all the "feasible" proposals were undertaken the total cost would not exceed 275 million dollars.

Examine Implications

The White House staff and budget experts are examining the cost, international implications and possible harmful effect the project would have on the nation's rocket program, the story said.

Pentagon officials would not comment on the story, the Tribune said, but other sources unnamed, were quoted as saying they would not be surprised if Eisenhower decides that "if the Russians want to make a face of it we're in it."

Scattered Wet Spots
Dot Weather Picture

By The Associated Press

There were wet spots in scattered areas of the mid-continent and the West Coast today but generally dry weather prevailed.

Wide areas of rain and scattered thunderstorms continued throughout northern and central Texas. Floods threatened in sections of northeast Texas.

To Startle World

JAKARTA, Indonesia (AP)—President Sukarno said today that if Indonesia does not get West New Guinea through the United Nations, it will resort to methods "which will startle the world."

He did not elaborate.

Malinovsky

(Continued from Page 1)

strategic long-range use. The length of one was estimated at about 70 feet, the other smaller. They were wheeled through the square on long tractor-drawn trailers.

Los Alamos, N. M., where the atomic bomb was developed, was merely an isolated mountain school for boys in 1941.

Divorce Fraud? Judge Blocks Man's Efforts To Adopt Wife

SEBRING, Fla. (AP)—Circuit Judge Joe D. Kinsey yesterday dismissed a 76-year-old man's petition to adopt his former wife and ordered the couple to show cause why the final divorce decree entered Oct. 21 should not be set aside.

Kinsey said it appeared that there is "a likelihood that the divorce decree was obtained by collusion, deception and fraud upon this court which may result in a judicial farce."

The petition for adoption of Virginia Rebman, 44, was filed by her former husband, Walter H. Rebman, a retired secretary of the Borden Co. in New York.

Mrs. Rebman charged mental cruelty in her divorce petition.

Rebman and his former wife said in the adoption petition that the arrangement would benefit both because they have "mutual reliance and dependence on each other due to their association over the past 10 years," and have mutual business interests.

Mrs. Rebman is a real estate operator here. Neither had any children by previous marriages.

Army Plans Drastic Cut In Little Rock Troopers

LITTLE ROCK, Ark. (AP)—The Army prepared today to make an announcement of the planned cut was made by Secretary of the Army Wilbur Brucker at Washington. An Army spokesman said he expected the reduction would be made before the weekend.

The army will send back to Ft. Campbell, Ky., about 275 of the 500 troopers of the 101st Airborne Division now on duty here.

SRC Suits Filed On Road Projects

Two condemnation suits for property sought by the Maryland State Roads Commission have been filed in Allegany County Circuit Court.

The SRC has deposited a check for \$10,000 payable to the clerk of the court for land owned by James E. Cook and located in Election District 2.

The land is sought for improvement work along State Route 35 from U. S. 40 to Corriganville. The SRC has been unable to make an agreement with the defendant and filed the suit.

Property located along U. S. Route 40 east of Cumberland is being sought by the SRC for the relocation of the west slope of Polish Mountain.

Defendants in the suit are Homer N. Hout and Mary A. Hout, his wife and the Home Building and Loan Association, mortgagee.

Practical Nurses Unit To Be Formed Today

Licensed practical nurses in Allegany and Garrett counties are to meet today at 8:15 p. m. at Central YMCA to form an area chapter of the Maryland Licensed Practical Nurses Association.

John G. Burke, chairman, said similar chapters are already operating in other parts of the state.

W. Va. Hospitals Plan Compensation Patient Billing Changes

CHARLESTON, W. Va. (AP)—Hospitals in Southern West Virginia, which have not been hit by the new federal law, are not obligated to the hospital which settles the matter. They say that on a per diem basis, the compensation patient present minimum room rates are probably pays about \$2 less than those in effect on Oct. 1, 1951. The commission, which fixes and facilities. Hospitals at Bluefield, Beckley, Martinsburg and their insured workers sets such rates, announced earlier. They also say that in many cases, compensation pay is often death, disaster or injury. Compensation would go up \$1, effective Jan. 1, 1958, although the commission is not always to blame. Failure of the employer to notify the commission in certain cases ends up in a long involved routine of red tape.

One hospital spokesman said there was "voluminous paper work" involved in compensation cases. He said the paper work exceeds "anything in the whole world, Washington not excepted. When you send in a file, they want everything in it but the patient."

AGENTS FOR STIEFF STERLING

The annual turkey dinner of the Bedford Road Firemen and Ladies Auxiliary will be held Saturday from 5 until 8 p. m. in the fire hall. The weekly dance will be from 9 p. m. until midnight.

The WMS, Brotherhood and Auxiliaries of First Baptist Church will hold a covered dish supper at 8 p. m. today at the church. Each will hold its business session following the supper.

Hap-O-Happy Club Plans Yule Party

The Hap-O-Happy Club made plans for the annual Christmas party at the meeting and covered dish supper at the Girl Scout House. Mrs. Roy Drumm presided and routine reports were given.

The Christmas party will be held Friday, December 6, and each member is to bring a donation for the Christmas basket instead of exchanging jingles. Mrs. Margaret Hunter was named chairman.

Following the supper, cards and games were played and prizes won by Mrs. Nellie Nycum and Mrs. Lucille Davidson, 500, and Mrs. Shirley Short in canasta. The games prizes went to Mrs. Ada Short, Mrs. Doris Dean and Mrs. Mary Henftling.

Mrs. Short was chairman in charge of the supper assisted by Mrs. Hattie Carnell, Mrs. Emma Norris and Mrs. Ruth Oglebay.

St. Mary's Group To Receive New Members Dec. 8

St. Mary's Sodality made plans for the reception of new members December 8, feast day of the society, and for a Christmas jingle party at the meeting Sunday night in the church hall.

Mrs. John Clancy was named chairman of the party. Her committee is comprised of Mrs. Andrew Saliga, Mrs. Frank Gohel, Mrs. Clifford Spiker, Mrs. Thomas Dunn and Mrs. Calvin Hudson.

Rev. Robert Hopkins gave the opening and closing prayers, and spoke briefly, commending members on their activities during the summer recess.

Mrs. Clancy presided and thanked chairmen for the success of the bake sales and card parties held during the summer. Mrs. Gohel, Sunshine chairman, announced that 42 cards had been sent to the sick and three for deceased members.

Troop 9 Of SS. Peter and Paul Visits Flintstone GS Camp

Girl Scout Troop 9 of SS. Peter and Paul School spent a week-end at the Girl Scout Camp at Flintstone with work on its various projects and social events featuring.

The girls cooked lunch on tin can stoves, they had constructed, and built and maintained outdoor fires on which the evening meals were cooked. Meal planning, food purchasing and preparations and housekeeping projects were included in the program.

The social events of the week-end included a masquerade party Saturday night for which the girls made pumpkin lighting fixtures and decorations.

On Sunday morning a Girl Scout ceremony was held prior to the girls attending mass in uniform at SS. Peter and Paul Church.

Counselors for the period were Mrs. Aden Everstine, Miss Eleanor Minke, Miss Kathy Mulaney, Miss Judy Heinhart and Mrs. Z. F. Zimowski, leader.

Girls attending were Linda Akers, Mary Ann Carlsomay, Janice Fraley, Jacqueline Hallinan, Paullette Lochis, Nancy Lakin, Carol Martin, Carter Mason, Mary Ellen Rider, Nancy Stichter, Estella Struntz, and Jane Zimowski.

Miss Olive Hurlburt, executive secretary of the Cumberland Girl Scouts, and Mrs. Anthony Cioni were guests Saturday.

Plans were made by the troop committee chairman, Mrs. Daniel Carlsomay.

Parents driving the girls to and from camp were Mrs. James Hallinan, Edward Rider, Anthony Struntz, Bert Mason, Walter Fraley, Ray Lakin, Charles Wolbert and Daniel Carlsomay.

Mental Health Project Adopted By WCC Groups

The local Mental Health and Community Service groups of the Woman's Civic Club will participate in the project being sponsored by the Maryland Federation of Women's Clubs in supplying Christmas packages for mental patients in hospitals and private homes. Mrs. David Sigel, chairman, has announced that the state federation is stressing problems of mental health as one of its important projects.

Each member of the groups has been asked to bring Christmas gifts for patients in the state hospitals by November 15. A carton has been placed in the club house where gifts may be deposited. Articles most wanted are cigarettes, costume jewelry, Christmas tree decorations, tissues, stationery, playing cards, toilet articles and wearing apparel. Gifts are to be unwrapped, but with holiday wrapping included.

Other Women's clubs throughout the state are combining with the Maryland Association for Mental Health to serve as Santa Claus in distributing Christmas gifts for all patients in mental hospitals, who otherwise might be forgotten.

Events Briefly Noted

Old Potomac Lodge Auxiliary 282, I.A.M., will hold an anniversary covered dish supper at 6 p. m. Monday at the Chapel Hill House. Secret sisters will receive anniversary gifts.

The Semper Fidelis Class will meet at the home of Mrs. Mary Hosselrode, Woodlawn, LaVale, at 8 p. m. tomorrow. Mrs. Violet Hasenbuhler will have the devotions.

A ham and oyster supper, sponsored by the Short Gap Fire Company and Auxiliary, will be served Saturday from 4:30 until 7:30 p. m. at the fire hall.

Happy Valley Homemakers will meet at 7:30 p. m. today at the home of Mrs. Lonnie Nassefrod, Valley Road.

Kingsley WSCS will serve a turkey supper today from 5 until 7 p. m.

East Side PTA will hold a ham supper from 5 until 7 p. m. today in the school cafeteria.

Carnival To Be Held Saturday At Beth Jacob

The monthly meeting of the Women's League of Beth Jacob Synagogue was held Tuesday. Mrs. Edward Pallik presided.

Plans were completed for two social functions to be held this month in the vestry room. One is the Monte Carlo Night to be held Saturday at 9 p. m. and the other is a card party scheduled for November 20. Mrs. Robert Goldfine is chairman of the card party while Leonard Cody is chairman of the Monte Carlo Night carnival.

Mr. Cody is being assisted by Mrs. Cody, Mrs. Henry Getz, Mrs. Alex Green, Mrs. Abe Feldstein, Mr. and Mrs. Alvin Finesman, Mrs. David Kline, Mrs. Harry Lichtenstein, Mr. and Mrs. Edward Pallik and Mr. and Mrs. George Waingold.

Mrs. Charles Frost will be hostess to the Twiggstown Homemakers Club Saturday at 1:30 p. m. Miss Mary Wise will give a demonstration on "Filling the Grocery Cart."

Mr., Mrs. Bottorf Winners Of Fractional Game

The fractional game of the Potomac Valley Bridge Club was won by Mr. and Mrs. George Bottorf Tuesday evening at the Woman's Civic Club. Five and a half tables were in play. A Howell movement featured the game.

Miss Louise Zihlman and A. J. Feigus finished second, Mrs. Gerard Everstine and Mrs. William Torkington were third; tied for fourth were Mrs. Harvey Aronson, Lloyd G. Trimmer and Mrs. Ray Goetz and Mrs. Mary Deal.

It was announced that the Maplehurst Bridge Club will hold a game at 8 p. m. Sunday at the Maplehurst Club in Frostburg.

Opposition To Ad Tax In Baltimore Mounts

BALTIMORE (AP) — Opposition to television stations handling advertising continues to mount in Baltimore's proposed tax on advertising.

Mayor D'Alesandro estimates they would produce the estimated \$4,200,000 needed to balance the City Council, the Advertising Club, the Baltimore Council of Newspaper Unions and the Advertising Federation of America have voiced protests.

Councilmen William D. Schaefer, Michael J. Hankin, Michael J. McHale and James J. Walsh said the taxes would result in business losses which in turn would hurt the city's economic structure.

The tax proposals, contained in two administration bills now before the Council, call for a 7 1/2 per cent levy on virtually all advertising and a 2 per cent tax on newspapers, magazines, radio and

Wall Street Hears...

NEW YORK — (INS) — Wall Street Hears: World beet sugar production is expected to reach \$8.75 this year from \$8.19 in 1956.

Sales and earnings of H. L. Green in the year to end Jan. 31 should "break even" with last year's sales of \$112,524,988 and earnings of \$2.93 a share. The quarterly 50-cent dividend is "reasonably secure," but the payment of the 25-cent extra is up in the air.

Thompson Products, as a consequence of changes in government defense procedures, may show nearer \$3 a share net for the year than the \$5.50 that has been projected, says F. I. duPont & Co.

Net loss of \$2,500,000 seen for Capital Airlines despite revenue of \$96,000,000 this year. Request for CAB for renewal of subsidy lists possible deficit of \$7,500,000 in 1958 if fare increase not granted.

Jones & Laughlin sales currently higher, but not somewhat below September quarter. For full year, profits seen at \$6.25 vs. \$5.78 in 1956.

Market comment — Walter Maynard of Shearson Hammill & Co.:

Stocks in utility, grocery chain, tobacco, bank, insurance and finance fields are "in a position" to perform somewhat better than the general market.

Agriculture News Briefs

WASHINGTON — (INS) — The Weather Bureau is predicting much cooler weather than usual in November for farmers in the southern part of the U. S. between the Texas Panhandle and Florida.

Most of the southern mountain states and a large section of the southern corn belt will also be cooler than normal. The West Coast and New England will be warmer than in average years.

The great plains can expect more moisture, and so can New Englanders. Below-average precipitation is predicted for the Far West and Florida.

Sportsmen's Club Elects New Heads

The Oldtown Sportsmen's Club met Tuesday and elected new officers for the year.

Elected were Robert Brown, Cumberland, president; Ralph Roeder, vice president; Jonah Hose, secretary; Russell Hose, treasurer; and Ross Shaw, historian and publicity chairman, all of Oldtown.

Installation will be held at the meeting December 10 in the club house, at which time committees for the year will be announced. Refreshments were served. Forty members attended.

To keep fresh milk at its best, keep it clean, cold, covered and in the dark.

The Chaplain Corps of the United States Army was founded on July 29, 1775.

Business Briefs...

NEW YORK — (INS) — The National Industrial Conference Board reported today that Old Age, Survivors and Disability Insurance payments are now being received by more than half of the 15 million U. S. residents over the age of 65. In contrast, in 1948 only one out of eight people in this age bracket received the benefits.

CHICAGO — (INS) — U. S. realtors were told today that the construction industry faces the prospect of declining business outlays for new buildings next year, but that this will be offset by continued increases in government construction and a mild upturn in housing. Dr. George Cline Smith, vice president and economist of the F. W. Dodge Corporation, said latest construction contract data indicates the downturn in business building and upturn in housing is under the way. He addressed the annual convention of the National Association of Real Estate Boards.

What's PAY 'N SAVE Club?

How do I pay for my Pay 'N Save Club savings account?

In regular monthly installments, just like you would buy a car. Take up to 5 years to pay if you wish.

Does the money in my Pay 'N Save Club savings account earn interest?

Yes, your entire savings goal earns the Bank's regular rate of compound interest, right from the start.

How much interest do I pay on the loan?

You get a special, low interest rate on the loan. The difference between the interest rate on the loan and the interest earned in your Pay 'N Save Club savings account is surprisingly small.

Is anyone eligible for a Pay 'N Save Club savings account?

Anyone up to 60 years of age is eligible. No medical examination is required.

That sounds too good to be true. How can I have that much money right away?

Very simply. The Bank lends you the money for the savings goal you choose. The entire amount is credited to your Pay 'N Save Club savings account.

How is my savings goal life insured?

Should you die unexpectedly, your beneficiary would receive the entire goal in your Pay 'N Save Club savings account. The unpaid balance of your loan would be taken care of through a group credit life insurance policy. No more payments would be required. This insurance feature costs you nothing.

Come in today. Establish the immediate security which Pay 'N Save Club can give you. Or, mail this coupon for more information.

To: Second National Bank, Cumberland, Md.

Please send me, at no cost or obligation, more information about your Pay 'N Save Club.

U. S. VS. RUSSIA—Newschart shows the heights attained by Russia's Sputniks I and II, and the U. S. Far Side Rocket. The Far Side, fired by the Air Force, is shot straight up. No attempt is made to orbit it. Scientists say, however, that by turning it horizontally the rocket may be transformed into a satellite, like the Sputniks.

10 Billion Dollars Spent Yearly On Research

By SAM DAWSON
NEW YORK (AP)—The U. S. government and industry today are spending at a 10-billion-dollar-a-year clip for scientific research and development.
Sputnik seems likely to inspire a rocket like climb in that figure next year, especially in the government's share, which is now about one third.
The government is doing more than half of the spending on basic research—the pure science from which Sputnik was developed as the most publicized result of the present International Geophysical Year.
Warnings some time back that the Russians were pulling ahead in pure science research brought a reply from some quarters that the question was whether America's scientific security race with the Soviets was a marathon or a sprint.
Industry is putting some 4 to 6 per cent of its 7 billion dollars a year spending into basic science studies. For example, the University of Chicago gets about 1 1/2 million dollars a year from corporations for basic research problems and is conducting some 1,000 of them in 500 laboratories. The bulk of industrial spending goes to applied research and product development.
Government and private researchers often benefit jointly. For example, early studies in commercial aircraft helped develop military aircraft. The upcoming commercial jet airliners owe much to the government research that produced the jet military bombers and transports.
Some government officials estimate that only 5 to 10 per cent of total government research spending of more than 3 billion dollars a year is for basic science.
But the National Science Foundation says that the Defense Department finds basic science hard to define. The foundation divides total government research spending into 60 per cent on development—from missiles to livestock feed—and 40 per cent on basic science and application of it to specific objectives.
The war gave research its big boost. Before World War II federal and private spending was at a one billion dollar a year pace, compared with today's 10 billion. In recent years some of the increase is due to higher costs.
Today's highly complicated military and civilian products doubtless call for much more expensive research. Remember there's often a time lag of seven years before the start of research and the large scale production of the resultant product.
Sputnik's successors can circle the world many times in seven years.

JOE THE MOTORISTS' FRIEND

Blame Set For Ending Of Station

By CHARLES L. STAFFORD
TIMONUM, Md. (AP)—Rep. Devereux (D-Md.) last night laid the blame for the ending of male recruit training at Bainbridge Naval Training Center at the doorstep of the federal Bureau of the Budget.
"We had the money appropriated for new barracks at Bainbridge, but the Bureau of the Budget would not release the money to the Navy," he said. "So when the Navy re-evaluated its program, it decided to do away with male recruit training at Bainbridge."
During a question-and-answer session following a speech on "Morality in Government" before Timonium Methodist men, Devereux said congressional appropriations are often upset by the bureau.
"We don't like it," he said. "We feel this is against the will of Congress and therefore against the will of the people."
The Bainbridge retrenchment, which cut the military population from about 14,000 to 4,500, drew protests from Maryland's congressional delegation. Gov. McKeldin and the Maryland Legislative Council, as well as residents of the area.
Navy Secretary Thomas S. Gates Jr. later gave Gov. McKeldin six reasons why the ax fell at Bainbridge, rather than at training centers in Great Lakes, Ill., or San Diego, Calif.
Devereux, who has been mentioned as a prospective candidate for the Republican gubernatorial nomination, said he hasn't reached a decision on his political future.
As for seeking the gubernatorial nomination, he said: "That is a big decision to make, one that must be weighed carefully. And I can tell you this, that is a big job."
During his speech, he told the church group, "I sometimes feel that we men-in politics are overburdened with... lures of Satan. That is so because a political office inevitably is a position of power. It has been said that power tends to corrupt. And power, like any other thing of value, may be sold or bartered."

Veterans Day Program Set By VFW Post

Court House Lawn Ceremony Stated Monday Morning

A Veterans Day program will be held on the lawn of the Allegany County Court House Monday in memory of those who paid the supreme sacrifice.

Henry Hart Post 1411, VFW, will sponsor the event on the east lawn beginning at 10:15 a. m. The principal speaker will be Fred H. Anderson, magistrate of Juvenile Court.

This is the first year such a program has been planned by the VFW, according to George Speis, chairman, who said a miniature cemetery with flags honoring the war dead will be placed on the lawn.

Rabbi Stanley Levin will have the invocation, and Thomas B. Finna, city solicitor, will be the master of ceremonies. Prayer will be by Rev. William B. Snyder, pastor of St. Luke's Lutheran Church.

Benediction will be given by Rev. Arthur W. Bastress, assistant pastor of St. Patrick's Catholic Church. Speis said Chief Judge George Henderson and Postmaster Thomas F. Conlon have indicated they will attend.

Local veteran groups including reserve units have been invited to take part in the program. At 11 a.m. members of the firing squad of the VFW Post and Fort Cumberland Post 13, American Legion, will fire a volley, and taps will be sounded by Albert M. Kerns Jr.

A sound system will be set up by H. G. Armbruster. Advance arrangements for the Court House display will be made Saturday, according to Speis, who is being assisted by Vernon A. Crable in the program.

As an avocation, James P. Bender, treasurer of the Bethlehem Steel Co., conducts a cattle research farm near Coopersburg, Pa. He recently gave 60 Holsteins and 30 Guernseys to Rutgers for the University's Dairy Research Farm.

Now Two Locations to serve you . . .

NOW TWO LOCATIONS . . . to bring you quicker and better service. Why not stop in today to borrow money for any worthwhile purpose or for consolidation of those numerous unpaid bills?

With Christmas Here, see Seaboard Finance for that Extra Cash.

Local Girl Scout Leader To Attend National Meeting

Miss Olive Hurlburt, executive director of Cumberland Council of Girl Scouts, will attend the national meeting of the Association of Girl Scout professional workers in Philadelphia. The sessions will be held this evening, tomorrow and Saturday.

Taking for its theme "Life, Liberty and the Pursuit of Happiness" the three-day session at the Warwick Hotel will have Lawrence Appleby, New York, president of the American Management Association, as its keynote speaker the first evening on "A New Look at our Administrative Skills."

Saturday sessions will be devoted to the topic of how the professional workers in Girl Scout-age can effectively use good management principles and skills over eight years ago.

Local Episcopal Church Sets Dedication Service

Rt. Rev. Noble C. Powell, bishop of Maryland, will attend a dedication service Sunday at 7:30 p. m. at Emmanuel Episcopal Church.

Bishop Powell will be here to dedicate the new cloister linking the church to the parish house, as well as the final two steps on the organ which was purchased a few years ago. At this same service the congregation also will see the mortgage on the rectory located at the southeast corner of Washington and Lee streets burned.

This house was purchased from the late Dr. Lloyd R. Meyers and his wife, Mrs. Louisa Meyers, by deed dated October 21, 1949, just a little over eight years ago.

After the Friday night dedication service there will be a coffee hour in the parish house.

New Health Officer Due Here Next Friday

Dr. Ton van Strien, who has been appointed Allegany County health officer, will assume his duties here next Friday, November 15.

The former Charles County health officer, Dr. van Strien will reside at 1900 Bedford Road.

Firm Submits Building Plan For CC Study

Structure Planned As Warehouse And Shipping Facility

The Cumberland Undergarment Company has submitted tentative plans for a new warehouse and shipping building to the Cumberland Chamber of Commerce.

Chamber officials said the tentative plans submitted by Maurice Milberg, president of the garment firm, have been turned over to the Chamber's Industrial Development Department.

The department is obtaining estimates on the cost of constructing the warehouse from local contractors for a rough guess of the cost of building the facility in the Cumberland area.

When estimates are received, the Chamber said, the entire subject will be studied by the Industrial Promotion Committee of the Chamber of Commerce.

The Chamber has run several advertisements offering the company's present building on Gay Street for sale or lease in order to help the local firm in financial aspects of its building program.

Ground was broken in Frostburg October 27 for a new Cumberland Undergarment Company factory there.

Yesterday, the Frostburg Industrial Development Company obtained a building permit for the factory from the County Assessing Department.

The one-story building will have concrete block walls and foundation and is estimated to cost \$80,000, according to the permit.

The factory building is expected to be completed next spring.

The garment plant, located between Grabamtown and Wrights Crossing, is being built with funds raised in a public bond sale campaign in Frostburg.

Early this year the garment firm, which has been located here since 1945, announced its Gay Street quarters did not lend themselves to the garment industry and that it was interested in opening a new plant in Frostburg.

In addition to the manufacturing plant in Frostburg, the company wants a new building in the Cumberland area for warehouse and shipping operations.

Coconut Rice Sunday Night

Coconut rice is a perfect, quick and easy Sunday night dessert. Ingredients—2 tablespoons butter or margarine, ½ cup loosely-packed flaked coconut, 2 cups hot cooked drained converted type rice.

Method—Melt butter over low heat in 9-inch heavy skillet; add coconut and toast until lightly browned, stirring often. Add rice and stir with fork so coconut is well distributed. Makes four servings.

Fluffier Eggs

A worthwhile trick to make luncheon scrambled eggs fluffier and omelet-like in texture is to heat six eggs slightly, season them to taste, then cook them over low heat until creamy soft but not completely firm. At this point fold in about one cup cottage cheese.

Always wash lemons before grating the rind from them. It's a good idea to place the grater on a sheet of waxed paper and then gather up the shreds of rind with a small spatula.

Celery Delight

Quarter celery stalks and brown lightly in butter, simmer in a little bouillon and serve with the pan juices.

Note

If you start from scratch, you'll need to cook ¾ cup rice to get the amount called for. If you use leftover rice, rinse it with boiling water and drain thoroughly before adding to skillet.

Pumpkin Pie Is Holiday Delight

Liver And Onions, Plus

Prepare liver and onions as usual, then serve sprinkled with minced parsley and topped with crisp strips of bacon. Good to eat and attractive to the eye.

Rainy day fun: Make up a batch of cookie dough and cut it out in the shape of gingerbread men. Have candied cherries, potato chips. For the "sweet" raisins and dates on hand so nibblers, provide an assortment. Ever add a little cooking sherry small fry can decorate the cookies of tiny candies. Mini patties and to a package of dry onion soup before they go into the oven.

Start a "snack shelf" in the full and flavormsome variety of kitchen, a spot where you can that keep well. quickly assemble some tidbits. Many of these candies are when guests drop in for a chat, available in tightly sealed cello. It does away with those anxious phone overwraps which retain moments every hostess has when freshness indefinitely. Remember though, to be com- more than finger snacks, how-ent snack food shelf, the tidbits ever, that can be arranged on a must be replaced as they are out in the shape of gingerbread nuts, packages of popcorn, and you see them at the grocer's. On the shelf keep cans of salted trying out new nibbling foods as men. Have candied cherries, potato chips. For the "sweet" raisins and dates on hand so nibblers, provide an assortment. Ever add a little cooking sherry small fry can decorate the cookies of tiny candies. Mini patties and to a package of dry onion soup before they go into the oven.

Marinate Chicken In Olive Oil

HOLIDAY DESSERT: This easily made pumpkin pie is a delightful Thanksgiving Day dessert for the family that likes a fluffy, refrigerator-type pie.

By **CECILY BROWNSTONE**
Associated Press Food Editor

Here's a short-cut recipe for a Thanksgiving dessert that deserves consideration. We found it lived up to its promise.

If your family enjoys a fluffy refrigerator type pie, we have no hesitation in recommending this rule to you. It produces a dessert with real pumpkin flavor and Spanish olive oil an hour that cuts well and may be made or so before placing under the quickly and easily.

Use a thin rich flaky pastry for the filling with whipped cream combine ¼ cup olive oil, 1 table- spoon lemon juice, ½ teaspoon graham-cracker crust and plain salt and about ¼ teaspoon of whipped cream minus the coconut Spanish saffron (available in drug stores and food specialty shops).

Preheat the broiler oven then: Ingredients: 1 package (3 ¼ place the chicken at least 4 in- ounces) vanilla pudding and pie cherries from the heat, skin side filling, ¼ cup dark brown sugar down. Bake the chicken with the (firmly packed), ¼ teaspoon salt, olive oil mixture frequently. ¼ teaspoon ginger, ½ teaspoon As soon as the chicken is gol- nutmeg, ¼ teaspoon cinnamon, den and crisp on one side, turn, 1½ cups milk, 1 tablespoon but- broil until golden on the other ter or margarine, 1½ cups can- side and fork-tender. Takes about ned pumpkin, 1 baked 9-inch pie shell (made from pastry or gra- 30 minutes. Drain on absorbent ham cracker), 1 cup heavy cream, confectioners' sugar, va- paper before serving.

Serve with rice which has bits of bright red pimiento tossed in with it and pass a well-seasoned tomato sauce, to your over both rice and chicken.

Method: Empty vanilla pudding and pie filling into a 1½-quart saucepan. Add the brown sugar, salt, ginger, nutmeg and cinnam- on; stir thoroughly. Gradually add the milk, stirring until smooth after each addition; add butter. Cook and stir over mod- erate heat until mixture comes to a full boil; remove from heat. Cool only about 5 minutes, stir- ring twice. Add pumpkin; stir until blended. Turn into prepared pie shell. Chill until firm. At serving time, whip cream and sweeten to taste with confection- ers' sugar; flavor with vanilla. Garnish pie with whipped cream, or serve separately as a topping. If pastry shell is used, whipped cream may be sprinkled with toasted coconut.

Celestial Pumpkin Pie: Use recipe for Heavenly Pumpkin Pie but cool and chill pumpkin mix- ture. Then whip ½ cup of the cream and fold in; pour into pie shell and chill until firm (at least 1 hour) before serving. Whip remaining cream and sweeten to taste with confection- ers' sugar; flavor with vanilla. Garnish pie with whipped cream, or serve separately as a topping. If pastry shell is used, whipped cream may be sprinkled with toasted coconut.

Bacon Bits Stirred Into Muffins

Hot, oven-fresh muffins spark appetites on cold mornings. In this recipe for breakfast muffins, bits of crisp bacon are stirred into the batter, and tomato juice can be used as part of the liquid.

Bacon Muffins
2 cups sifted all-purpose flour
3 teaspoons baking powder
1/2 teaspoon salt
2 tablespoons sugar
6 slices cooked bacon, crumbled
1 egg, slightly beaten
1 cup milk or 1/2 cup tomato juice and 1/2 cup milk

Juice and 1/2 cup milk
3 tablespoons bacon drippings
Sift dry ingredients together.
Stir in bacon, Mix egg, milk and drippings and add to dry ingredients; stir only until flour mixture is dampened. Spoon into greased muffin pans, filling cups 3/4 full. Bake in a 425-degree Fahrenheit oven 20 minutes or until well browned. 8 muffins.

We pity the poor moths this winter, considering the size of some bathing suits.

Cornmeal Cheese Blend

Mold cooked hot cornmeal in a loaf pan and chill. Slice and reheat with melted butter and grated Italian-type cheese. Serve with broiled chicken.

Melba Toast With Catsup
Butter sliced bread and spread with catsup. Cut into strips and bake in moderately hot oven (400 degrees) until lightly browned.

Both tarragon and chervil are herbs that do a lot for fish.

Lyonnais Noodles Are Good With Roast Turkey

LYONNAIS NOODLES baked with paprika, onion and lots of butter or margarine are delicious with roast turkey.

By GAYNOR MADDOX
Let's try noodles with roast turkey for a welcome change. Baked with paprika, onion and lots of butter or margarine, they make a delicious dish.

Baked Lyonnais Noodles (6 servings)
One tablespoon salt, 3 quarts boiling water, 8 ounces medium egg noodles (about 1 cup), 1/2 cup butter or margarine, 1 medium-sized onion, sliced, 1/2 teaspoon paprika, salt, pepper and garlic salt to taste.
Add 1 tablespoon salt to rapidly boiling water. Gradually add spaghetti so that water continues to boil. Cook uncovered, stirring occasionally, until tender. Drain in colander. Meanwhile, cook onion and turkey in butter or margarine until onion is tender. Add remaining ingredients; heat remaining ingredients; heat to boiling point, stirring occasionally. Add spaghetti; mix well.

Tomorrow's dinner: Roast stuffed turkey, baked Lyonnais noodles, buttered peas and small white onions, celery hearts and pimiento-stuffed olives, rolls, butter or margarine, pumpkin pie with whipped cream, coffee, tea, milk.

Cut Lamb In Squares
Boned shoulder cut in squares is excellent for stew, for curries, lamb pies, and for the popular Slush Kebab or skewered lamb.

Planning to prepare a meat stack? Use a shin bone with marrow in it for good flavor. Cracking the bone helps extract flavor.

To steam a vegetable, place it in a perforated pan over rapidly boiling water; cover the pan tightly.

Add a little dill to a chilled cream of potato or cream of cucumber soup for wonderful and elusive flavor.

Beef, Pork, Chicken Put On Week's Bargain List

By The Associated Press
Looking for a bargain in the meat department for the weekend? If you are the chances are you'll find beef, pork and chicken on sale at special prices in supermarkets or neighborhood food stores.

Steaks and rib roasts are more frequently offered than hamburger and chuck, which may disappear, the economy-minded housewife. Meat men say that's because the number of grain fed animals, which produce higher grade beef, is expected to hold at last year's level.

Pork Supplies Increase
Supplies of range cattle are running below the 1956 level. With record supplies of feed, there's active bidding for this type animal between farmers who feed cattle and ranchers trying to rebuild their herds.

Pork supplies are increasing, as they do every year at this time, although they are still a bit below 1956. This winter and next spring, though, slaughter will likely be above year-earlier levels, the Agriculture Department says.

As for chickens, they've been more plentiful than last year for some time and the estimate now is that production will top 1956's 1,345,000,000 birds by six per cent.

Egg prices are generally lower this week, by as much as six cents a dozen for medium grades.

Although vegetables from nearby fields are dwindling in many areas, outstanding buys include cabbage, potatoes, onions and cauliflower. In the good buy category are celery from Western growing areas, carrots, snap beans, brussels sprouts, and Florida cucumbers, endive and escarole.

More Varieties Available
The vegetables from warmer growing areas, stretching from Florida west to California, augment local supplies, of course, give.

Lamb Suggested For Breakfast

In these days when nutritionists are stressing more and more the importance of adequate breakfast, it is well to remember that lamb is an excellent breakfast dish.

There are many lamb dishes which are well adapted to this first meal of the day. What could be better, for example, than broiled lamb patties served with tomato juice, biscuits with jam or jelly and a beverage. Or another tasty morning starter could be broiled lamb chops, served with broiled tomatoes and golden buttered toast.

STARLAC the heart of milk is the heart of the healthful balanced diet

For drinking, cooking, baking and whipping

Use this thrifty nonfat dry milk in all made-with-milk recipes. Drink Starlac, too. It's good. And it's the best kind of nourishment.

Borden's takes fresh pasteurized milk—removes water and fat. What's left? B vitamins, proteins, calcium and other minerals. They're the heart of milk. They're Starlac!

Deviled Baked Egg Good Dish

With cooler weather, you'll be looking for hearty luncheon ideas for your family. One suggestion is deviled baked eggs—it's a good hot dish.

Deviled Baked Eggs
6 hard cooked eggs
1 cup medium white sauce
1 can deviled ham
1 teaspoon minced parsley
1 tablespoon minced onion
Salt, pepper
Buttered crumbs

Cut eggs in half and place in a greased baking dish. To white sauce add deviled ham, parsley, onion, salt and pepper to taste and pour over eggs. Sprinkle crumbs over the top and bake at 375 degree F. for 20 minutes.

OMELET FILL
Tiny cubes of bread, fried until golden a butter or olive oil, make a delightfully crisp filling for an omelet.

Roast Duck Good Holiday Choice

HOLIDAY FARE: Roast duck garnished with skewered kumquats and pineapple chunks makes for a festive Thanksgiving Day board.

By CECILY BROWNSTONE
Associated Press Food Editor

If there are to be no more than four around your Thanksgiving table, a roast duck is a perfectly good choice for your main course; for eight you will need two ducks.

As a stuffing for the duck, we recommend this one prepared from packaged herb-seasoned stuffing, butter or margarine, orange and raisins. Then for a garnish festive enough for the holiday, serve the duck with preserved kumquats and pineapple chunks alternated on short skewers.

ROAST DUCK WITH ORANGE-RAISIN STUFFING
Ingredients: 4 to 5 pound (ready-to-cook weight) Long Island duckling, 1 cup water, 1/4 pound (1/2 cup) butter or margarine, 1 tablespoon grated orange rind, 2 tablespoons orange juice, 1/2 cup seedless raisins (rinsed in hot water and drained), 1 package (8 ounces) herb-seasoned stuffing.

Method: If duck is frozen, thaw according to package directions and remove giblets. Wash and dry duck. Fold back wing tips. Put water and butter in a 3-quart kettle; heat slowly until butter melts. Add orange rind, orange juice, raisins and stuffing; stir with a fork until all of the stuff-

ing is moistened. Stand duck in a large mixing bowl; lightly fill body cavity with dressing; close cavity by sewing up or lacing string around small skewers inserted from side to side of vent. Lightly fill neck cavity with stuffing. Fasten neck skin down with small skewers. Place duck on rack in shallow roasting pan. Roast in moderate (350 to 375 degrees) oven until skin is crisp, and well browned and drumstick joint moves easily or twists out—about 2 1/2 hours. Remove skewers and cord or thread before serving.

Note: If you prefer, you may roast the duck in a slow (325 degrees) oven until tender—about 2 1/2 hours for a medium well done bird. In this case, about half an hour before the duck is done, brush with kitchen bouquet to achieve a rich brown skin.

Caviar Varieties

Caviar from sturgeon varies in color from grey to black and is smaller than the famous, expensive beluga caviar.

Keeping Celery

To keep celery longer and lower cut off tough woody root end from stalk before storing, cover in hydrator of refrigerator.

Soup Suggestion

Condensed black bean soup is delicious, adulated with tomato juice and meat stock. Serve with sliced hard-cooked egg as usual.

Hot Salmon Platter Is Suggested

The new pack of salmon is here, and it's a good time to consider the virtues and usefulness of this favorite canned fish. Canned salmon, so attractive in appearance and appealing in flavor, is highly nutritious—it's a protein food, rich in calcium, iron and vitamins.

It lends itself to rather elegant concoctions, too. Consider a hot salmon platter, the salmon smothered in celery sauce, flanked by broiled tomatoes and a generous mound of hot potato salad.

First, make your potato salad. Cube enough hot boiled potatoes to make 3 cups. Combine with 2 tablespoons minced green pepper, 2 tablespoons chopped green onion, and 3 or 4 slices bacon, fried crisp and diced. Add 1/4 cup chopped sweet pickles, salt and pepper to taste. Add enough French dressing just to moisten.

Heated In Can
Now remove the top of a can of salmon. Cut 2 large tomatoes in half, and sprinkle with salt, pepper and buttered bread crumbs. Put salmon in its can, and tomatoes, in a 350 Fahrenheit oven for 20 minutes, or until salmon has heated through, and tomatoes are brown on top. Place potato salad in oven for last 10 minutes of this time.

Drain salmon, and turn out on a hot platter. Arrange broiled tomatoes at one end of the platter, hot potato salad at the other. Heat the undiluted contents of a can of cream of celery soup, and serve over salmon (or in a separate sauce dish, if you wish). Garnish with parsley and serve hot. This serves 4.

Elementary Principals Hear Talk On Teamwork

The next meeting of the Allegany County Elementary School Principals Association will be held January 4 in Frostburg State Teachers College.

A committee was appointed to make arrangements when the group met Monday evening at the college.

Reports of the policy and welfare committees were also made.

Paul Arbogast presided and greeted members and guests, who were Mr. and Mrs. Frank R. Gamble, Alfred Benna, Miss Winifred Greene and Miss Elizabeth Fluke.

On behalf of the association, Earl Brain presented a gift to Benna, former principal at Mt. Savage, who has taken a position at Fort Hill High School. Hubert Radcliffe, principal at Mt. Savage, presented Gamble, county music supervisor.

Mary Haworth's Mail

Editor's Note: Happily married young couple have problem in man's adoring parents.

DEAR MARY HAWORTH: My husband and I are in our twenties and very happily married for two and a half years. My problem is my mother-in-law, most likely a trial common to all new wives.

Dave's mother always has considered him a child and treated him as one. And, although we've been married going on three years, she still hasn't changed on that score. She refuses to give up the idea that he is her "baby."

As you can imagine, this is very annoying to Dave and me.

Once I openly requested Dave's parents to stop treating him as a child. "He's a grown man with a job and a family, so he's hardly a baby," I explained. This provoked an argument from both parents, who claim that I don't love Dave as much as they do, etc. They still want to rule his life, and mine too, now.

I am afraid to open my mouth when Dave's parents are around, for fear of starting a war. They disagree with anything I say, regardless of what it may be. I have received advice from all sides on this problem. How do you suggest that I cope with the situation?—A. T.

Basketball Team To Get Uniforms

The Boosters Club of Ridgeley High School has voted to purchase basketball uniforms for members of the varsity team.

The annual membership drive was also started at a meeting Monday night, conducted by Eston Turner. The goal has been set for 500 members.

Adults and students are being sought as members of the organization, which will hold a bake sale sometime next month to raise funds.

Mrs. Hilda Bobo is chairman and will be assisted by other Boosters. M. M. Heiskell, principal of the school, Thomas O'Connor, coach and Edgar Tucker, assistant coach, will be in charge of a Thanksgiving program which will be held at the school.

Brunswick stew originated in Brunswick County, Virginia.

South End Home Damaged By Fire

Firemen from South End Station yesterday answered an alarm at the home of Mrs. Ida B. Webb, 17 Putnam Street.

Firemen said the blaze started in the kitchen when a flue over a stove overheated and ignited the ceiling and roof.

Eskimos are believed to be descended from the same stock as American Indians. There is a similarity in their language and culture.

The Suez is the world's longest canal; 87.5 miles in length.

The dik-dik, a species of small antelope, is a native of Africa.

Young Husband The Key Figure

DEAR A. T.: The key figure in this drama is Dave himself. It is entirely possible that his parents never will move with the times, nor ever encourage their adult age son to be a man, in any aspect of his experience where they have influence.

As matters stand, I think we'd have to say that they've settled for a condition of arrested development, insofar as their own

Doctor Writes Of Smother-Love

Dave's parents don't want him to gather strength and take on new stature in a relationship that exists outside their dominion. They'd rather keep him small than forfeit a place of dominant importance in his scheme of things—or have it generally said that he listens to his wife, rather than to them. But I suppose they mask their meanness from themselves by fancying that they are opposed to your making demands on him.

When they (or Dave's mother) harp on the theme of Dave's being their baby, and of loving him more than you do, they're probably defending him from your instinctive drive to evoke full manly strength and initiative from him—in dealing with life. Probably they think you're too hard on him, in terms of goals you set for him; therefore they rush in conversationally, to prove you wrong.

Discretion is the better part of valor, we are told. Thus my advice is: don't speak all your mind in the presence of Dave's parents. "A fool uttereth all his mind"—so Scripture says—"but a wise man keepeth it in until afterwards." Be wise in this sense. Work confidentially in rapport with Dave, and let him do the talking during family visits.

Both you and Dave might garner useful insights and saving perspective from Dr. Edward A. Strecker's book "Their Mother's Sons" (Lippincott)—which X-rays the immature psychology of smother-love parents.

Mother, Daughter Die In Accident

An Elkins woman and her seven-year-old daughter were killed early this morning on U. S. Route 50 about seven miles east of Keyser when the vehicle in which they were riding failed to negotiate a curve and overturned.

Killed were Anna Mae Kyle, 26, and Linda Gale Kyle,

West Virginia State Leader Under Attack

Former Gov. Marland Says Underwood Talk Falsified Facts

CHARLESTON, W. Va. (AP)—William C. Marland, Democratic ex-governor, has labeled Gov. Underwood's Monday night speech as one "composed of spurious inferences, half truths, and in one or two instances, plain falsification of facts."

Underwood reported in his speech on a State park improvement program undertaken during the Marland administration. He criticized financing of the program by sale of revenue bonds.

In one of the few public statements he has made since leaving office last January, Marland called the Monday speech "an instrument of political propaganda."

The criticism of the financing of the parks program by Underwood came hours after his removal of four of the six members of the Conservation Commission. He said the handling of the \$4,400,000 park improvement bond issue was the reason.

The cost of the program would be "certainly more than a million dollars" in excess of what it should have been, Underwood said.

In the statement Marland said of the governor: "He neglected to advise the people, that the revenue bond development program for State parks was endorsed by his own political party with him as its minority leader in the 1953 legislative session."

Marland continued: "It might have been more fair of the governor to explain another fact—namely, that in the legislative session of 1955, after the 18 months of study had evolved a suitable bond program, it was necessary for the Legislature to modify the original law so that the very bond issue of which he now complains could be let, and again as a minority leader of the Republican party in that legislative session he again endorsed the issuance of these bonds by voting for the modification necessary."

Damage Suit Filed Against Truck Driver

A \$50,000 damage suit was docketed today in Allegany County Circuit Court against a Charleston, W. Va., driver by a local man who was a passenger in a truck that figured in a rear-end collision.

Filing the suit was Jerry T. McGraw Jr., 52 Wempe Drive, against Paul M. Cowgill Jr., Charleston, and the Commercial Credit Corporation of Baltimore.

According to the declaration docketed by the law firm of Cobey, Carscaden, Gilchrist and Getty, for McGraw, the defendant was riding in a truck eastbound on Route 51 seven and one-half miles east of Cumberland on August 24, 1956.

He was a passenger in a truck operated by Albert H. Baker, which was hit from the rear by the auto driven by Cowgill.

As a result of the force of the pack, McGraw said he was thrown against the front of the truck cab, the suit declares.

He alleges that he suffered an injury to his spinal column and back, which has become permanent in nature.

Sheriff's Staff Hit By Illness

The epidemic of flu-type illness in the County Jail has taken its toll of the sheriff and his staff.

Sheriff Edward R. Muir is just getting back on his feet after a week's illness, and Deputies Edgar M. Lewis and George Harris are still confined to their homes.

A good percentage of the jail population was ill last week.

Del. N. S. Cook Speaks Before IMPA Group

The functions and operations of the Maryland General Assembly were outlined to a group of teachers enrolled at Flintstone in the Institute of Maryland Public Affairs course last night.

The speaker at the session held in the high school was Del. Noel Spier Cook, Frostburg, who has been a member of the Legislature for over ten years.

Arrested By Police

The Bedford County "dawn patrol" of Pennsylvania State Police picked up a young man today (Freedman, Howard Schwartz, who reportedly is wanted in connection with a stolen car charge. Turned over to the Roaring Spring Police Department, Blair County, was Lloyd V. Leasure, who was arrested in the Everett area.

Legislators Seek Data On State Bonus

Want To Know Why Governor Has Not Named Study Group

BALTIMORE (AP)—Gov. McKeldin, accused of "gubernatorial delinquency" in refusing to set up a committee to study war veterans bonus proposals, will be asked to explain his refusal to the Legislative Council.

The Democrat-controlled council, between-sessions arm of the General Assembly, voted yesterday to send a committee of its most influential members and representatives of veterans organizations to discuss the issue with the Republican governor.

The "delinquency" tag was offered at yesterday's council meeting by Del. Robinson (D-Balto 4th).

Sen. Goldstein (D-Calvert), council chairman and Senate president, had just read a letter from the United Maryland Veterans Council, complaining that the governor had "not seen fit" to set up the study committee, as requested in a resolution adopted by the 1957 Legislature.

"This is another example of gubernatorial delinquency," said Robinson. He cited as another example what he called the governor's failure to follow through on a similar resolution several years ago, asking that the State Planning Commission make a highway zoning study.

"This is a slap at the General Assembly and an insult to the intelligence of the people of Maryland," said Robinson.

Among those named to the delegation to confer with McKeldin was Sen. Phuebus (R-Somerset), the Senate minority leader, and Sen. Phipps (D-Annapolis). Goldstein said he would request that six veterans organizations each name two delegates to accompany the lawmakers on their visit to Annapolis for the conference.

At yesterday's session the council also approved a committee's recommendations for changes in the handling and investment of State employee pension funds.

The committee, headed by Del. Whitmore (D-Anne Arundel), proposed the creation of a special office for the investment of such funds. This would make possible more advantageous investment by a skilled full-time administrator and could result in savings of up to 1½ million dollars a year, Whitmore said.

Also recommended was more flexibility in the guaranteed interest rates on money contributed to pension funds by State employees. In some cases, the Whitmore committee report noted, the State guarantees up to 4 per cent interest to contributors but invests their money in short-term government securities and other sources yielding only about 3 per cent.

To make up the guarantee, the State then must dip into its own pocket.

In other actions, the council: 1. Agreed with a committee headed by Del. Corkran (D-Dorchester) that there should be no legislation to restrict rockfishing until more is known about the spawning, migratory and living habits of the rockfish, or striped bass.

2. Rejected a proposal by a committee under Del. Hanna (D-Wicomico) that the State enter into a 50-50 deal with the counties to finance construction of public docks, piers, or other waterfront landings for pleasure boats.

3. Approved a recommendation that the State spend \$100,000 to expand mental hygiene clinics and mental health programs.

PLANING MILL DESTROYED—Fire yesterday afternoon destroyed a planing mill near Corriganville, causing \$10,000 damage. Firemen are shown as they poured water on the blaze.

Native Appointed College Delegate For Inauguration

John Mason Lord, Boston advertising executive will be the official delegate of Washington College at the inauguration of Dr. Richard Glenn Gettell as president of Mount Holyoke College at South Hadley, Mass., on Saturday.

A native of Cumberland, he attended Allegany High School and graduated from Washington College in 1935 with the degree of bachelor of science in economics, cum laude.

For a number of years he was associated with the Yankee Network in Boston. He was a commissioned officer in the Navy from 1941 to 1945, and attained the rank of lieutenant commander. He followed several years with the Boston advertising firm of Harold Cabot and Company, by opening his own offices at 11 Beacon Street there.

Lord lives with his wife and four sons at 316 Wellesley Street, Weston, Mass.

Traffic Club To Hear Talk By Minister

Dr. John F. Sammel, pastor of St. Paul's Lutheran Church, will address the Tri-State Traffic Club at its meeting Wednesday, November 13, at 6:30 p. m. in the Ali Ghan Shrine Country Club.

Rev. Mr. Sammel, a former chaplain in the Navy during World War II, will speak on foreign affairs, according to S. A. Wenner, president.

Wenner has announced committees for the 1957-58 year. They are:

Constitution and by-laws — J. F. Lewis, chairman; E. A. Lindsay, co-chairman; A. N. Phillips and E. D. Chaney.

Docket — W. J. Armbruster, chairman; C. E. Moody and F. B. White.

Entertainment and speakers — James Orr, chairman; L. W. Brown; K. W. Bachman, F. Lee Fresh and W. R. King.

Hospitality and dinner — C. B. Miller, chairman; C. H. Bonig, G. W. Eichner and K. F. Rotson.

Membership — K. F. Rotson, chairman; H. C. Bodie, R. J. Bruce, C. E. Jewell and W. J. Yordy.

Publicity — Clarence Litzenberg.

Fire Destroys Corriganville Planing Mill

Fire yesterday afternoon destroyed a planing mill near Corriganville. No injuries were reported, and firemen estimated damage at \$10,000.

N. Albert Matthews, operator of the mill, said the blaze started from defective wiring in the one-story frame building. The building was not covered by insurance, according to Matthews.

Matthews said two men were working inside the building on an engine which generated power to operate the mill's machinery. They noticed flames shooting from the roof of the building.

Volunteer firemen from Corriganville Fire Hall about a mile from the scene were notified, but by the time they arrived the fire had a good start.

When they had it almost under control, an explosion in the building caused the flames to spread rapidly. Volunteer firemen from Ellerslie, Mt. Savage, LaVale and Frostburg were called to the scene to assist the Corriganville firemen.

Hose was laid by the Corriganville volunteers to Jennings Run about 80 feet away for an additional water supply. The other volunteer companies used the water from their trucks in an effort to quench the blaze, which began about 1:15 p. m.

Corriganville was the last unit to leave the scene, and got back to the fire station about 4:30 p. m. The mill had been operated by Matthews since about 1922 and before that had been operated in Ellerslie.

Finished lumber from the mill was not only shipped to area consumers but also to such cities as Philadelphia and London.

Equipment including planers, joiners, saws, and shapers were reduced to scrap by the fire.

A garage owned by a nephew of Matthews was scorched by the flames, and firemen kept it damped down.

Matthews said the estimated damage to the building and machinery was \$10,000, not covered by insurance.

Local 120, United Glass and Ceramic Workers, will meet today at 8 p. m. at the Rubber Workers Hall to nominate officers.

Obituary

BENNETT — Mrs. Esta, 53, Clarksburg.

FURSTENBERG — James, 69, of 113 Fifth Street.

GOEBEL — Adolph, 73, a native of Frostburg.

HORCHLER — John M., 63, Grantsville.

MILLER — Louis J., 55, Midland.

PHILPOT — Mrs. Mae Ethel, 71, Shaft.

STEVENS — Mrs. Grace, 53, Frostburg.

TWIGG — Mrs. Martine, of RD 1, Oldtown.

TUCKER — Edward M., 80, Moorefield.

VINCI — George, 66, Barlow.

James Furstenberg

James (Ross) Furstenberg, 69, of 113 Fifth Street, died this morning in Memorial Hospital where he had been admitted yesterday.

A native of this city, he was a son of the late William F. and Florence (Keller) Furstenberg. His wife, Mrs. Eva C. (Brown) Furstenberg, preceded him in death.

A veteran of World War I, he was a retired boilermaker for the Baltimore and Ohio Railroad Company and a member of Fort Cumberland Post 13, American Legion, and the Goodfellowship Club.

Survivors include a son, George W. Furstenberg, city; two brothers, George M. Furstenberg, city, and Alfred Furstenberg, Hagerstown; a sister, Mrs. Resaca Allamony, this city, and a granddaughter.

The body is at the Scarpelli Funeral Home.

Services will be conducted Saturday at 2:30 p. m. at the Holy Cross Episcopal Church by Rev. William J. Cox, pastor. Interment will be in Hillcrest Burial Park.

Mrs. Grace Stevens

FROSTBURG — Mrs. Grace (Hager) Stevens, 53, of 62 High Street, wife of C. Buddy Stevens, died this morning in Memorial Hospital, Cumberland, after a lingering illness.

She was the daughter of late Charles and Minnie (Brode) Hager.

She was a member of Salem United Church of Christ and the Ladies Aid Society.

Survivors include a sister, Mrs. James Tennant, Frostburg, and two brothers, Frederick and Frank Hager, both of Frostburg.

The body will be at Hafer Funeral Home after 7 p. m. today.

Mrs. Martine Twigg

Mrs. Martine Twigg, RD 1, Oldtown, died this morning in the Springfield State Hospital.

A native of the Oldtown area, she was a daughter of Mrs. Blanche Stallings Robinette Evans, this city, and the late Frederick Robinette.

Besides her mother, she is survived by a daughter, Mrs. Clifton Slickley, Strasburg, Va., and a brother, Herman Robinette, Richmond, Va.

The body will be at the Hafer Funeral Home tomorrow afternoon.

Mrs. Edward Philpot

SHAFT — Mrs. Mae Ethel (Cross) Philpot, 71, of here, died this morning in Miners Hospital. She was the widow of Edward Philpot.

Lotteries Not Legal, States Law Official

The awarding of door prizes and the conducting of give away contests are in violation of the lottery laws of Maryland, Paul M. Fletcher, state's attorney, announced today in releasing a directive which has been sent to local merchants.

Fletcher said the statement has been sent to the president of the Retail Merchants Association and to the president of the Cumberland Chamber of Commerce. The directive follows:

"There has been an increasing tendency on the part of merchants to offer door prizes and give away schemes as a stimulant to increase business and promote sales. I have no doubt that the business people engaging in this type of advertisement are doing so with the full belief that such programs are not in violation of any law, and do not come under any phase of the criminal laws of Maryland. Such is not the case, as the awarding of a door prize and the conducting of give away contests are in violation of the lottery laws of Maryland, and punishable by fine and imprisonment.

"To constitute a lottery three elements must be present: prize, consideration and a drawing. If any of these elements are absent, a lottery does not exist. There is usually very little doubt about the 'prize,' as that is to be given to the winner. There is also practically no doubt about the 'drawing,' because the winner cannot be determined without it. There is more difficulty about the 'consideration,' but courts have determined that a payment of a consideration is not material, the object being to encourage patriotism and arouse instincts that are inimical to public policy. There is no consideration if a contestant is not required to buy anything, pay an admission price, or not required to leave his home to visit the place of business where the prize is offered; but if the contestant is required to call at the place of business, or write to the place of business, or put himself to inconvenience, even of a slightest degree, or perform a service for the business establishment, then there is consideration existing to constitute a lottery. The consideration may exist for any inconvenience, no matter how small. The acts or registration and attendance are sufficient consideration to constitute a lottery."

"However, there is nothing in the law which prevents any merchant or businessman from making gifts of equal value to all persons who may be attracted to his establishment by the offer of such gifts, and this is a legitimate means of encouraging or promoting business activity."

"Over a period of years numerous organizations and business establishments have contacted the State's Attorney's office with reference to the legality of having a sale of tickets, drawings and prizes, and these people have all been advised that such ventures are illegal, and on that basis they have abandoned their plans."

"It would be appreciated very much if you would bring this matter to the attention of the members of your association so that they may understand and comply with the law in so far as it pertains to their operation of such merchandising devices."

Revival services will begin Sunday at 7:30 p. m. at Mt. Pleasant Methodist Church.

Rev. Louis L. Emerick, pastor of the Union Grove Methodist Church, will conduct the services Sunday through Sunday, November 17. No services will be held on Saturday, November 16.

Music is being arranged for each service.

Schools Slate Conferences With Parents

Allegany, Fort Hill Program To Mark Education Week

Allegany High School will again conduct its parent visitation program, inaugurated last year, in observance of American Education Week.

Dr. W. Ardell Haines, principal, said Allegany students yesterday were given forms that are to be filled out by parents so that appointments can be made with homeroom teachers.

The visitation will be held from 1 to 3:30 p. m. Monday, November 18, when each teacher will hold 10-minute conferences with parents who wish to determine the progress their children are making in classes.

300-Plus Expected

The conferences will be limited to 10 minutes, Dr. Haines explained, since more than 300 appointments are anticipated. The visitation will occur on one of the regularly scheduled half-days for students, the principal pointed out.

American Education Week will be observed November 10-17. Dr. Haines stated, and a series of addresses will be made over the public address system at Allegany, Monday through Friday.

The talks, he continued, will be made by graduates who are in the business and professional fields here, he explained, and will be directed at the general theme of "The Value of Education." Each talk will be limited to from three to four minutes, Dr. Haines said.

Assembly Planned

The observance will also be highlighted by a junior high assembly next Friday which will be sponsored by the Ralph R. Webster Chapter of the Future Teachers of America at Allegany.

The visitation program met with favorable response from parents when inaugurated last year, Dr. Haines pointed out.

Fort Hill High School will also conduct a parent visitation program, with next Wednesday designated as the day for visit with teachers.

Victor D. Heisey, principal, said a social period will be held in the school gymnasium following the individual conferences. Heisey and Mrs. Naomi F. Bennett are in charge of planning the program.

There will be no assembly to mark the observance at Fort Hill, Heisey continued, explaining that teachers will conduct classroom programs instead.

Land Dispute Site Visited

An Allegany County Circuit Court jury went for the second time in two days to look over a condemnation case brought by the State Roads Commission against McMillen Highway property owners.

Being heard today is the case of the SRC against William F. and Lelia B. Fitzpatrick, who own the Rustic Inn located south of Rawlins on Route 220.

The property was one of the many affected during the relocation and widening of the highway for about five miles south of Rawlins.

The State Roads Commission is represented by William C. Walsh and William Walsh, while the Fitzpatricks have the law firm of Cobey, Carscaden, Gilchrist and Getty as counsel.

Judge Morgan C. Harris is presiding.

Temperature Below Freezing

The temperature dropped below freezing in this section during the night, but the Weather Bureau said it won't be as cold tonight.

Cumberland had an official 25 degree minimum: Oakland, 20; Deal, 25; and LaVale, 23.

The 52-degree reading at noon today was the warmest it had been in the 24 hours previous to that time.

The outlook for Allegany, Garrett and Washington counties is for increasing cloudiness tonight with a low between 35 and 40 degrees. Tomorrow is to be cloudy with rain likely.

Other overnight lows taken at various State Police stations in the state include: Towson, 20; Waldorf, 24; Bel Air, 25; Waterloo, 27; Conowingo, 28; Salisbury, 29; Pikesville and Rockville, 30; and Frederick, 33.

Teen Club Plans Sale Saturday

The Nidgeley Teen Club will sponsor a bake sale Saturday at the Frantz Market at 9 a. m., according to Johanna Armentrout, president.

Plans for the affair were completed at a meeting last night at the home of Konbley Mountain Post 136, American Legion.

Rev. Louis L. Emerick, pastor of the Union Grove Methodist Church, will conduct the services Sunday through Sunday, November 17. No services will be held on Saturday, November 16.

Music is being arranged for each service.

FLAG PRESENTATION — Charles C. Bender (left) commander of the Grantsville American Legion Post, is shown presenting an American and Maryland State flag to Gov. Theodore R. McKeldin at ceremonies yesterday at the Savage Mountain Forest campsite in Garrett County. Gov. McKeldin then presented the flags to boys of the state's two forestry camps for rehabilitating boys. The ceremonies marked the opening of the camp near Lonaconing. More than 400 persons attended. (Story on Page 16)

FROSTBURG-KEYSER

And Tri-State Area News

(16) Evening Times, Thursday, November 7, 1957

TIME OUT FOR SNACK — Gov. Theodore R. McKeldin (right) takes time out for a snack after the dedication program at Boys' Forestry Camp 2, three miles west of Lonaconing in Garrett County, yesterday. With him are Henry

McConas, superintendent of Garrett County Memorial Hospital in Oakland, and Jeannette L. Donig, Cumberland, executive secretary of Associated Charities. The governor joined some 400 other citizens for doughnuts and coffee.

Garrett County Boys' Camp Dedicated

LONAICONING—Upwards of 400 of guests and visitors were introduced. Among them were legislators, welfare agency representatives, juvenile court personnel, weather in Garrett County yesterday afternoon to participate in the dedication of Maryland's second forestry camp for rehabilitating boys.

Gov. Theodore R. McKeldin, making the dedicatory address at the Savage Mountain Forest Campsite three miles west of Lonaconing, suggested that it might be a wise time to consider readjustments in laws on public school education.

The ceremony opened with a brief concert by the Valley High School band, followed by an invocation by Rev. W. J. Hamilton, pastor of Cherry Grove Church of the Brethren.

Dr. Alvin Thalheimer, president of the Maryland Department of Public Welfare, presided.

Thomas J. S. Waxler, director of the State Department of Public Welfare, spoke and a number

Gov. McKeldin presented the two sets of flags to boys from Camp 1 and boys working on Camp 3. The Camp 2 colors were then raised on a 60-foot flagpole by a color guard representing American Legion posts at Westport and Grantsville.

Rev. Charles W. Bogan, pastor of St. Mary's Catholic Church here, offered the benediction and a prayer for the boys and staff at this new camp.

Among the guests presented were Margaret Collins Schweinhaut of Kensington, a member of the House of Delegates from Montgomery County, who introduced and sponsored legislation making this camp program possible in the state and Delegate Fred B. Driscoll of Allegany County, who urged the establishment of these camps in Western Maryland.

Delegate Harry B. Edwards of Garrett County, who also favored this program in the General Assembly, said, to dedicate it by "sort of relic control."

Moorefield Masons Plan Anniversary

MOOREFIELD — Plans are complete for the observance of the 150th anniversary of the Moorefield Masonic lodge tomorrow, according to Clyde Shambolter, general chairman of the event. More than 250 Masons from four states, including the grand lodge of West Virginia, are expected to attend the event.

Moorefield Lodge 29, Ancient Free and Accepted Masons, is the second oldest lodge in the state and was originally chartered under the Grand Lodge of Virginia. The Masonic lodge at Lewisburg is the only older lodge still in existence.

Graveside memorial rites were held Sunday at the grave of James Machir, located up Wailes Run near Wardensville. H. Gus Muntzing spoke at the event and delivered a short eulogy. Clyde Shambolter read the Masonic ritual prayer and J. Ward Wood, a direct descendant of James Machir, gave a brief biography. The memorial services were a part of the anniversary celebration.

The program tomorrow includes registration at the lodge hall in the Masonic building from 1 to 3 p. m. when the business session begins with a welcome address by M. H. Diehl, worshipful master of Moorefield lodge. The response will be made by Thomas Sites, worshipful master of Petersburg lodge. R. L. Dispanet will introduce visiting dignitaries and L. R. Grover will give a history of Moorefield lodge.

J. Ward Wood will give a memorial and biography of James Machir. P. W. Clarke will deliver the necrology and Dr. E. E. Church of Keyser will address the group on "What Is Expected of a Mason." H. Gus Muntzing will act as master of ceremonies. The evening session will start with a dinner in the Moorefield High School gymnasium with Senator Ralph J. Bean as master of ceremonies.

Present officers of the lodge are M. H. Diehl, worshipful master; Ralph Hill, senior warden; J. W. Fisher, junior warden; W. C. Poole, treasurer; L. R. Grover, secretary; Paul Tallent, senior deacon; William Tooley, junior deacon; Thomas McNeill, tiller; Vernon Taylor and George T. Leatherman, stewards and Stanley Hawse, H. Gus Muntzing and Boyd McWhorter, trustees.

Bible Class To Meet

WESTERNPORT — The Golden Circle Bible Class of First Baptist Church will meet at the home of Mrs. Sheila Dawson, Green's Addition, tomorrow at 7:30 p. m.

Lonaconing Vet Organizations To Conduct Event

LONAICONING — "Veterans Day" will be observed at a program arranged by William Nolan, chairman of the Veterans Day committee, William Moyer and James Berry of James J. Love Post 96, American Legion and Alvin C. Neat Post 5280 Veterans of Foreign Wars.

On Monday at 11 a. m. a program will be held at the Soldiers Monument in the First Presbyterian Church yard. Marching from Hancock Street to Central School via Railroad Street to Main Street to the monument the group will leave the VFW home at 10:30 a. m.

Virgil Alexander will be master of ceremonies and Rev. Everett C. Hunt will give the opening prayer. The Valley High School band will play a selection. Leslie J. Clark will give the "Veterans Day" address. He is captain of the 872nd Military Police Unit, United States Army Reserves, which meets at Lonaconing weekly.

Wreaths will be presented by Central Elementary School; Auxiliaries of James J. Love Post 96 and Alvin C. Neat Post 5280, and the commanders of these veterans' organizations.

Rev. Chalmers H. Goshorn will give a "Memorial To All Veterans." The "Star Spangled Banner" will be played by the Valley High band. A salute to the dead will be given by the firing squad. Taps will be sounded by Robert Nolan, bugler.

Rev. Charles W. Bogan, pastor of St. Mary's Catholic Church, will give the benediction. The Veterans Day parade will return from the monument to Central School immediately after the service and then to the VFW post home to disband.

Missionary Speaks

WESTERNPORT — Miss Violet Popp, returned missionary of the Baptist Church from Jordan, spoke and showed pictures recently at First Baptist Church. She is taking some extra study at the University of Pittsburgh during her furlough.

Shupe's Pharmacy

Sportsmen Plan Meeting At Frostburg

FROSTBURG — Leslie Bevan, president of the Allegany-Garrett County Sportsmen's Association, announced that an important meeting will be held today at 8 p. m. in the Young Men's Republican Club. All members are urged to be present. Refreshments will be served at the conclusion of the business session.

Bevan stated the club will check the present area south of Frostburg in the old "backwater" area which has been set aside for dog training. Signs were posted recently warning hunters that no guns or hunting are permitted in this area. A number of the signs have been destroyed but will be replaced and the region will be patrolled by a game warden to enforce the regulations.

Airline Business Trebles In Turkey

Airline passengers in Turkey have trebled in five years. In 1956 Turkish Airlines carried 210,629 passengers, 20 per cent more than in 1955. Today all major Turkish cities are connected with each other by air, and there are regular flights daily.

Flag Presented To Chapel

PIEDMONT — The Tri-Towns and welcome by the Key Mount C. Scouts presented an American flag to Key Mount Chapel at a recent worship service. The presentation was made by Brenda Cook. The flag was accepted by Irene Hott.

The flag was donated to the Girl Scouts by Rep. Harley G. Stoggers, congressman from West Virginia. It was flown over the National Capitol while Queen Elizabeth and Prince Philip of England were in Washington.

An invitation was extended to Congressman Stoggers to participate in the service. A reply from him was read, stating he was confined to his home with the "flu" and regretted he would be unable to attend. The service also included meditation, singing of America; prayer by Mrs. Clarence Weasenfath.

Services Conducted

WESTERNPORT — Rev. William B. Orndorff, pastor of First Baptist Church, is preaching a series of seven sermons on "Why We Believe Jesus Christ Will Come Again." On Sunday night the theme will be "What Will Happen When Christ Comes to Earth As A King."

FROSTBURG-KEYSER

And Tri-State Area News

(17) Evening Times, Thursday, November 7, 1957

KILLS BOBCAT—John Dlubagh of Vale Summit holds the large bobcat he killed recently on Big Savage Mountain. A deer ran in front of his car and he swerved to miss the animal being chased by the bobcat which was struck. Thinking the victim was a dog, Dlubagh stopped to investigate and found that he had "nailed" the bobcat.

Mineral Farm Women's Council Elects Officers

KEYSER — "The Magic Box" played a tape recording of the theme of the annual State Farm Women's Chorus concert held at the Forest Festival in Elkins.

Mrs. Earl Harman, county president, presided over the business meeting held during the morning.

Highlights of the meeting were talks given during the afternoon. Mrs. Oscar Churaman spoke and showed slides of British Guiana and 4-H club work there. She is the daughter of Mrs. E. G. Vandiver, Burlington, and is a former home demonstration agent in Mercer and Monroe counties. She is now living in British Guiana where she and her husband do 4-H club work.

Jack Randolph, state Extension recreation specialist from Oglebay Institute, Wheeling, spoke on the importance of music in the home. He showed a film and

Youth Rally Set Saturday

FROSTBURG — An area-wide youth rally will be held at Trinity Assembly of God Church in Midlothian on Saturday at 7:30 p. m.

Rev. Milton T. Wells, president of Eastern Bible Institute, Green Lane, Pa., will be the speaker. Accompanying him here will be several musical groups from the institute.

Rev. Wells will also be preaching in the 11 a. m. and 7:30 p. m. town. Mrs. Florence Duckworth, Mrs. Carrie Moore, Mrs. Elsie Wilson as Marie Lewis and Clara Vogtman, and Saturday, August 22 and 23.

The meetings are open to the public, according to Rev. James Dye, pastor of Trinity Church, Miss Evans also attended.

Lonaconing WSCS Meeting Features Talk, Reports

LONACONING — Twenty-three A Georges Creek zone meeting members attended the Woman's held at Frostburg was attended Society of Christian Service by Mrs. Florence Duckworth, meeting in First Methodist Mrs. Olivia Broadwater, Mrs. Church on Monday night with Delbert Fazenbaker, Mrs. Currie Mrs. Florence Duckworth, president, Dye, Mrs. Isabel Nightengale and dent, conducting the session. Miss Eleanor Evans, Miss Evans Mrs. Ann Foote was in charge reported to the group on this zone of devotional services. Her topic meeting.

was "Christ On the Campus," followed by Scripture reading, Prayer was given in unison. "This So Sweet To Trust in Jesus" was the opening hymn. "The Methodist Student Movement" was a talk given by Mrs. Foote. "Near To The Heart of God" was sung.

Miss Elmer Evans gave a report on the district meeting held December 3, January 3, January 24, February 7 and February 21. Mrs. Florence Duckworth, Mrs. Florence Snelsen, Mid-

land, will serve as leader of the Mary Ann Moore, Mrs. Carrie Moore, Mrs. Elsie Wilson as Marie Lewis and Clara Vogtman, and Saturday, August 22 and 23.

The meetings are open to the public, according to Rev. James Dye, pastor of Trinity Church, Miss Evans also attended.

L. Tate, pastor of Trinity Church, Miss Evans also attended.

Guild Names Top Officials

FROSTBURG — Mrs. Shirley Johnson was elected secretary, treasurer of the Women's Guild of Zion Evangelical and Reformed Church a recent evening.

Other officers named were Mrs. Sue Thomas, treasurer; Mrs. Molly Dudley, publicity; Cornelia Lancaster, stork show.

Mrs. Genevieve Broadwater, president and Mrs. June Rank, secretary, will keep their offices for another year.

Ann Storm was in charge of the program using the topic "One Flock and One Shepherd."

It was decided to hold the Christmas dinner at Moon's Restaurant, Cumberland on December 3. Ann Storm will be chair-

man of the program, assisted by Marie Lewis and Clara Vogtman, and Saturday, August 22 and 23.

A social hour followed with refreshments.

Merchants In Moorefield Decide Christmas Hours

MOOREFIELD — Moorefield's Day. The post office, local merchants have decided on bank, state store, jewelry stores, Christmas hours for stores and hardware stores and feed stores, holidays to be observed next year, along with Dollar Days, will also be closed that day.

All retail stores in Moorefield will remain open each night until 10, except Saturday night when they will remain open until 9. All stores will close at 7 on Tuesday, Christmas Eve.

Holidays selected for 1958 will be Memorial Day, May 30, July 4, Labor Day, Veterans' Day, November 11, Thanksgiving, Christmas Day and New Year's Day. All stores will close from noon until 2 p. m. on Good Friday, April 4.

Dollar Days will be observed in 1958 on Friday and Saturday, February 21 and 22 and on Friday and Saturday, August 22 and 23.

Most stores will remain closed Monday in observance of Veterans' Day.

Keyser Shoots For Unbeaten Season Tomorrow

Clark Team Also Trying For Spot In 'A' Playoff

As the late Lew Lehr would say, "A football takes the swiftest bounce," but for the life of us we can't see it bouncing any way but right for Keyser High School tomorrow.

There appears to be too much at stake for "Jack" Clark's Golden Tornado in the game at Romney — an undefeated-untied season, the Potomac Valley Conference championship, another notch in its record-breaking victory belt which has been stretched to 25 games and a chance to play again for the Class A crown of West Virginia.

All of these things belong to the defending champion Tornadoes if the scoreboard at Romney shows Keyser on the long end of the tally at the end of the afternoon.

But Clark and his gridders will be on edge even if they conquer the underdog Pioneers. The reason: only "sure things" that isn't a sure thing is the state championship battle.

At this writing, Keyser and Huntington Vinson are the only two unbeaten-untied "A" schools in West Virginia. Mullens has been tied once, Mt. Hope twice and Hinton three times. If Vinson also gets through unscathed, it and Keyser will in all probability battle it out for the championship.

But there's a catch in the complicated West Virginia rating system. Mullens, despite its tie, could sneak into the title picture on the basis of opponents it has conquered. For every "A" school teams conquered by the contenders have beaten, a point is awarded. Keyser's average is 11.75 for games so far, but since no total has ever been announced, Clark is not sure of the other schools in contention.

The Keyser mentor, however, figures that an average of 12 should guarantee a title spot. That's why he and his players are pulling for LaSalle and Parsons in games tomorrow.

Keyser conquered both of these teams and if LaSalle should knock off Bedford and Parsons, Doddridge of West Union, the Tornado would pick up two points.

"But we can't afford to count our chickens before they're hatched," Clark says. "Our biggest worry right now is Romney. If we beat them, then we'll start thinking in terms of state play."

Incidentally, plans for the state playoffs in three classes will be made at a meeting of school officials Saturday at Cacapon. Parker Black, principal, will represent Keyser.

Lester Kept Busy

If Roy Lester talks about football field goals and basketball touchdowns, there's a reason.

The former Allegany High grid mentor is mixing athletics these days at the University of Maryland where he is freshman coach in both sports.

Roy has no idle moments. He works out his freshman football team, scouts opponents for the varsity and serves as overseer in basketball. However, most of the work with the freshman cagers is being done by Bob O'Brien, captain of last year's varsity Terps, and Don Newberry, a physical education major.

One of the top freshman candidates is Ted Marshall, six-foot-seven-inch ace from Westmont. That's a name familiar to Allegany fans. The Johnstown school being a long-time rival of the Campers, Marshall was recruited by Lester.

Kenny Johnson, scoring star of last season's Allegany team, has also looked good in early drills, although lack of height may handicap the ex-Camper sharpshooter. Ken, who was noted in scholastic competition for his clever ball-handling and shooting, is under six feet—and college basketball is a game of giants.

Among the others Lester listed as good prospects are "Ship" Shipman, 6-3, of Bethesda Chevy Chase High; Bruce Kelleher, 6-1, of Wilmington, N. J.; and Paul Jelous, 6-1, Camden, N. J.

Lester's football team owns a 2-1 record. The Little Terps decisively whacked West Virginia, Roy's alma mater, and Virginia. The loss was at the hands of North Carolina in the opening game.

The Baby Terps lower the curtain Friday afternoon, November 15, at Annapolis where they tangle with the Navy Pheas. Last year's Lester freshman team dropped a 20-14 decision at Annapolis in a game which found two local players—Rod Brecklow and Ron Shaffer, along with Tom Gunderman—banished in the first half.

All three of these boys were standouts on the freshman team, and are highly regarded. (Continued on Page 2)

Two straight undefeated and untied seasons in a row.

That's the prize that awaits Keyser High School's powerful Golden Tornado tomorrow afternoon when they ring down the curtain at Romney in a football game slated to get underway at 1:30 p. m.

In addition, the Potomac Valley Conference crown will belong to "Jack" Clark's "Terrible Tornado" and the strong likelihood of a playoff spot for the Class A championship of West Virginia.

Rouls Southern

Keyser marked up its ninth straight win of the year yesterday by slaughtering Southern, 33 to 0, in a PVC contest that saw Clark use his entire squad of 67 players. Played at Keyser, the game also added another win to the Tornado's record-breaking win streak which now stands at 25.

There is no assurance, however, that Keyser will be in the playoff even if victorious tomorrow, a game in which it will rule a prohibitive favorite. The Tornado, winner of the "A" crown last year, is only one of two undefeated-untied Class A schools in the Mountain State, but a point-rating system still makes it possible for Mullens, tied once, to sneak in ahead of Keyser.

In this system, victories scored over "A" schools by teams conquered by Keyser count for the Tornado. Therefore, Keyser players are pulling for LaSalle and Parsons in games tomorrow, both going against "A" teams. Keyser conquered both LaSalle and Parsons.

Roll Up Early Lead

Keyser rolled up a 19-0 score in the first half of yesterday's game and coasted to its fourth straight conference win.

Charley Garganus started the rout by dashing 13 yards for the first touchdown, capping a 52-yard drive. Later, Gary Keady took a pass in the flat and rambled 40 yards and Bill Boor accounted for the third six-pointer of the first half by running 53 yards with an intercepted pass.

Clark's son, Fred, sneaked over for the fourth touchdown following Dave Wilson's blocking of a Southern punt on the Highlander eight. Melvin Davis moved into the backfield and plunged over for the final TD.

In addition to the game at Romney, Moorfield plays at Berkeley Springs tomorrow in another PVC contest.

Westminster Here

Three Cumberland Valley Athletic League encounters are on tap tomorrow night, the feature pitting Westminster against Allegany at Fort Hill Stadium. Westminster was undefeated until last week when Fort Hill rallied for four touchdowns in the last quarter after trailing by a TD. Chet Payne said this morning that his Allegany squad is in the best physical condition in a month.

Fort Hill will be favored to record its eighth straight victory in its bid for an undefeated season when Bill Hahn takes his Sentinels to Hagerstown to meet the South High Rebels and Martinsburg plays at Frederick in the other league game.

Beall, which has caught fire in its last three starts, hopes to make it four wins in a row tomorrow night when it entertains Hundred (W. Va.) High at Frostburg. Hundred, which scored a 7-6 win in its last start, plays a tough schedule, mostly against West Virginia "A" schools.

Beall in Good Shape

Jerry Calhoun said the Mountaineers are in good shape for the contest, only casualty being Bill Minnick who may be out for the season with a month injury.

In Bedford, LaSalle will be meeting a team that has lost six straight games, the last of which was a 39-7 shellacking at the hands of Windber this past Saturday. The Ramblers tallied three touchdowns in the first quarter and coasted after that, reserves playing the last part of the second period and nearly all of the fourth.

Bedford didn't tally until the final quarter when Dick Koontz returned a pass interception 29 yards and John Rudisil carried over from the one.

This will be the fourth meeting between Bedford and LaSalle since 1934, the following year the Explorers won by a 6-0 score. Graves, 195-450; Peden Warnick, 1934, the following year the Explorers won by a 6-0 score. Graves, 195-450; Peden Warnick, 1934, the following year the Explorers won by a 6-0 score.

Liberty Trust moved into a first-place deadlock with Stakemans in the Loancoming City Bowling League by taking two games from the Republican Club.

While the "Bankers" were coping a pair from the GOP, the White Way Inn bowlers were dumping Stakemans, 2-1. In an initial quarter when Dick Koontz returned a pass interception 29 yards and John Rudisil carried over from the one.

Liberty Trust with a 164-466, while Brad Wilkes headed the between Bedford and LaSalle GOP with a 129-484. Other top teams coached by Norm Geatz, scorers were John Wilson. The Explorers won by a 6-0 score. Graves, 195-450; Peden Warnick, 1934, the following year the Explorers won by a 6-0 score.

In the Jim Shockey went out in front overall series, Bedford has won in the high average race with a 173 for 12 games.

(Continued on Page 2)

STILL AT BAT—Yogi Berra from the sixth tee of the championship run by two Pinehurst, N. C., Country Club course. The New York Yankee catcher is trying to forget the champion Milwaukee Braves.

Jerry Landis Sidelined By Grid Injury

By The Associated Press

Davidson's Wildcats return to action this week against a Wofford football team that Wildcat Coach Bill Dole figures will be just as hard to handle as the flu.

Dole already has fought a losing skirmish with the flu bug. The virus invaded the Davidson campus two weeks ago and forced the cancellation of the Wildcats' homecoming day game against Presbyterian.

What he knows about Wofford, possessor of a 7-1 record leads the Davidson coach to describe the Terriers as "the best team on our schedule." He may have hit the nail on the head.

Terrorize Foes

Wofford has made a veritable habit of terrorizing three Southern Conference teams — The Citadel, Furman and Davidson — for the last several years. Its winning streak against this trio now stands at nine games. Dole would like a lot to put an end to this "off" nonsense Saturday afternoon at Davidson.

Dole has been working his squad at top speed this week, trying to whip it back into shape after three weeks of idleness. Yesterday, the Wildcats held a heavy workout after which Dole reported the team's spirit and condition as "good."

The Citadel, meantime, prepped for its Saturday homecoming tilt with Presbyterian by holding a rough two-hour session. Coach Eddie Teague reported no additional cases of flu, which has hit the Bulldogs hard this week.

Jerry Landis Hurt

Close-up blocking and tackling drills and a long practice on defense — passing defense in particular — were the program at Virginia Military. The Keydets worked under the lights last night sharpening their offense.

West Virginia, preparing for Pitt, held a dummy workout on offense and defense, the coaches taking no chances on new injuries. Star guard Chuck Howley will miss the game because of a facial bone fracture requiring surgery.

William & Mary showed spirit and hustle in a heavy session at which Coach Milt Drewer sought defenses for N. C. State's multiple offense.

Virginia Tech tapered off for its game with Wake Forest in a light workout that produced some bad news. Quarterback Bob McCoy was pronounced out for the season with a recurrence of an old shoulder injury.

Injuries also hit Richmond, sidelining quarterback Jerry Landis, of Cumberland, Md., fullback John Zupicich and halfback Bob Dunnington. The Spiders, who meet George Washington Saturday, set their defenses in yesterday's practice.

Coney Bowling Loop Deadlocked

Liberty Trust moved into a first-place deadlock with Stakemans in the Loancoming City Bowling League by taking two games from the Republican Club.

While the "Bankers" were coping a pair from the GOP, the White Way Inn bowlers were dumping Stakemans, 2-1. In an initial quarter when Dick Koontz returned a pass interception 29 yards and John Rudisil carried over from the one.

Liberty Trust with a 164-466, while Brad Wilkes headed the between Bedford and LaSalle GOP with a 129-484. Other top teams coached by Norm Geatz, scorers were John Wilson. The Explorers won by a 6-0 score. Graves, 195-450; Peden Warnick, 1934, the following year the Explorers won by a 6-0 score.

In the Jim Shockey went out in front overall series, Bedford has won in the high average race with a 173 for 12 games.

(Continued on Page 2)

30,000 Fans To See Terps Play Clemson

By The Associated Press

Clemson Coach Frank Howard, whose 6-6 tie last year was the closest he has come to victory in five games with Maryland, tries it again Saturday.

Howard takes his Clemson Tigers into the contest on a three-game winning streak, the latest a 20-7 conquest of Rice. But Maryland, too, comes into the game with some prestige victories, the latest a 10-6 win over South Carolina.

Appear Evenly Matched

Both Maryland and Clemson have defeated South Carolina and both have lost to North Carolina State. Maryland defeated North Carolina and Clemson lost to the Tar Heels.

Maryland stands 3-2 in the Atlantic Coast Conference and 3-4 overall. Clemson's record is 2-2 in the ACC and 4-2 overall.

The game, Clemson's homecoming and the third appearance this season by Maryland as a homecoming opponent, is a sellout. Clemson expects an attendance of about 30,000.

Terps Work Lightly

Howard gave his squad a rough workout yesterday, concentrating on defenses he hopes will stop Coach Tommy Mont's Terps.

Mont dispensed with hard work and worked the Maryland squad in sweat suits.

Elsewhere around the ACC yesterday:

Coach Jim Talum, preparing his North Carolina Tar Heels for Saturday's game with South Carolina, continued his hush-hush practice policy for the week. He let the squad off 15 minutes early after a series of simultaneous drills by offense and defense units.

Coach Warren Giese, meanwhile, ran the South Carolina Gamecocks through a two-hour drill, with several players absent because of flu.

Major Hoople's New Aide Goes All Out With Pippins

By MAJOR AMOS B. HOOPLE

Original Unbalanced Center

My word! Two of the most amazing upsets of the season will occur in the East this week—Bucknell overturning Colgate by a one-point margin and Navy edging Duke by the same slim score in Baltimore.

These selections are not my own, but I have added to my staff a new impartial observer, Dr. Manuel von Murphy, of Caracas, Venezuela, noted authority on the effect of radiation fallout on pearl fishing. It was he who gave you the upset Boston U. scored at the expense of Holy Cross.

This week he is going all out—among his other selections are Notre Dame to beat Michigan State, UCLA to smite Washington State, Illinois to maul Michigan and Harvard to shade Princeton.

Dr. von Murphy has an illustrious reputation at home as an astute scientist, though we confess being intrigued by the anarchy upset in his name.

This was to have been an off week for Mysteria but my old friend, Frank Fiction, is foregoing a much-needed rest for his warriors by sending them against College of Surgeons. This is to be a benefit battle, all proceeds going to the Old Surgeons Home.

The Surgeons, led by those fearless halfbacks, Sam Scalpel and Jay Suture, may sew up Mysteria for a while but in the end class should tell.

Come to think of it, I don't believe I missed ONE prediction this year on high school games. But since I am not the type to brag, let's get on with the forecast:

SCHOLASTIC

Westminster 15, Allegany 6. Fort Hill 16, South Hagerstown 6. LaSalle 15, Bedford 6. Moorfield 20, Berkeley Springs 13. Keyser 25, Romney 6. Beall 6, Hundred 6.

North Hagerstown 15, Bel Air 7. Martinsburg 25, Frederick 6. Hantley 15, Harrisburg 12. Northern 7, Southern 6. Mt. Airy 10, West Va. Deaf 11.

COLLEGIATE

Fairmont State 11, Potomac State 7. Maryland 9, Clemson 8. Yale 20, Penn 7. Navy 21, Duke 16. Bucknell 7, Colgate 6. Pitt 19, West Virginia 6. Harvard 11, Princeton 13. Holy Cross 14, Syracuse 11. Illinois 20, Michigan 11. Minnesota 20, Iowa 11. Kansas 20, Kansas State 7. Notre Dame 27, Michigan State 21. Oklahoma 20, Missouri 13. Purdue 26, Ohio State 19. Alabama 7, Tulane 0. Arkansas 24, Rice 12. Auburn 19, Mississippi 6. Baylor 13, Texas 7. Tennessee 19, Georgia Tech 7. La State 20, Mississippi 13. So. Carolina 15, No. Carolina 9. Tex. A. and M. 21, So. Methodist 11. UCLA 15, Washington State 7. Oregon 10, Washington 6. Stanford 20, So. Calif. 7. Oregon State 11, California 6. Mysteria 22, College of Surgeons 21.

Another long gain for the Major

King Leads ACC In Kickoff Runs

GREENSBORO, N. C. (AP)—King Dixon of South Carolina kept alive the Atlantic Coast Conference's heated kickoff-returning feud last weekend, picking up 37 yards on a pair of runbacks to edge back into a lead over Dick Christy or North Carolina State.

Dixon now leads the conference with 262 yards on six returns, ACC Service Bureau figures show. He has returned two for touchdowns and is averaging 43.7 yards per return.

Christy, who didn't get his hands on a kickoff against Wake Forest last weekend, has 236 yards on four returns. He also has returned 59 yards a return. Places are awarded on total yardage in accordance with NCAA statistics regulations. Howie Dare of Maryland is third with 188 yards on five returns, one for a touchdown.

BUICKS REGISTER HOT ROD SHUTOUT

Buick won over Plymouth in the only shutout match in the Hot Rod Mixed Bowling League. In 2-1 action, Nash defeated Mercury, Chevrolet won over Ford and Dodge downed DeSoto.

Franklin Drake pounded out a 179 game and 472 set for the Nashes to record the week's top score. Other leaders were Estella Garlitz, 194-336, Chevrolet; Paul Rudolph, 185-420, Ford; Harold Schaidt, 182-466, Buick; Harriett Allison, 181-363, Plymouth; Franklin Drake, 173-472, Nash; Harry Bennett, 175-419, Mercury; James Bloss, 164-403, Dodge; and John Lindeman, 163-401, DeSoto. Standings.

A public auction of confiscated firearms will be held Saturday, 10 a. m., in front of the sheriff's office, regional game warden Joseph A. Minke announced today.

About a half-dozen pieces will be sold, including a couple of high-powered deer rifles, Minke said.

NEW! TWIN-CARTRIDGE FOUNTAIN PEN with matching pencil

• Holds 40% more ink than any other fountain pen

• Never even goes near an ink bottle

• Unique push-top pencil feeds whole barrellull of lead automatically

Introducing the SAFARI* pen and pencil set —most dramatically new writing instruments in a generation.

The SAFARI* fountain pen loads with two handy cartridges of liquid ink, not from a messy ink bottle. It holds a full 40% more real ink than any other fountain pen. And the second cartridge is your spare... always there in the pen to make 100% sure you never run out of ink. Choice of 12 replaceable points.

The beautiful SAFARI* pencil is the only one of its kind. Just fill the barrel with a whole handful of leads... and that's all the filling you do. Pushing the sliding cap feeds leads automatically.

SAFARI* pen and pencil sets are available in six striking, new colors.

Esterbrook SAFARI* twin-cartridge pen and automatic pencil \$7.75 only (PEN ONLY \$3.95)

Irishmen Play For Shillelagh In Big Battle

EAST LANSING, Mich. (AP) — A shillelagh, as everyone knows, is the stout stick Irishmen use to beat each other over the head in the spirit of fun and games.

And a shillelagh is the personal trophy coaches Hugh Duffy Daugherty of Michigan State and Terence Patrick Brennan of Notre Dame, a pair of Irishers, will be fighting for when their football teams run headlong into each other here Saturday.

If the sellout crowd of 76,000 watches closely, they'll see Daugherty swinging the stick as he masters the minds from the bench. If he wins, he keeps possession. If not, he's honor-bound to deliver it to Brennan.

The shillelagh trophy came about accidentally, as all good trophies should.

Both Duffy and Terry were youngish assistant coaches who succeeded their bosses in 1954. Daugherty took over from Biggie Munn, who became Athletic Director after building MSU to its present era as a football leader. Brennan was hand-picked by the equally successful Frank Leahy on his retirement from coaching.

Daugherty has a hard time with a 3-6 won and lost record his first year. Brennan went sailing through with a 9-1 winning season.

A fan gave Duffy the shillelagh to carry before his Notre Dame game to change his luck. State was beaten by missed conversions 20-19 and Daugherty handed the stick over to Brennan with the wry remark: "It didn't bring me any luck, you take it."

Daugherty bounced back in 1955 with a 9-1 season, including his Rose Bowl win, while Brennan was enjoying a good 8-2 year. When Michigan State won the annual struggle with Notre Dame 21-7, Daugherty got his forgotten shillelagh back again.

Michigan State had a 7-2 season including a 41-14 runaway over the Irish last year. Brennan was temporarily down with only two wins against eight losses. So Daugherty kept possession.

The Spartans, with a 5-1 record and a fourth place rating in the polls, are favored over the Irish, in 15th place following the defeat by Navy after the start of four victories.

But when two Irishmen are fighting over a sentimental trophy, how can you pick any favorites?

Clark Team

(Continued from Page 19)

four to LaSalle's one win and the 1955 tie.

The Explorers will be gunning to get into the .500 class for the first time this season. They've won two straight, defeating Allegany and Ridgeley after dropping four of their first five. Yesterday's scoring summary:

Pos.	Player	Points
QB	Kesner	13
RB	Shumaker	12
LB	Leatherman	10
FB	Storger	8
TE	Horman	6
RT	Davis	4
LT	R. Keller	2
QB	Boyer	1
LB	Hollingsworth	1
FB	Gurganus	1
FB	Wentzell	1

Score by periods:
1st 0-0
2nd 0-0
3rd 0-0
4th 0-0
Total 0-0

Touchdowns: Kesner—Gurganus, Kesner, Boor, Clark, Davis. Extra points: Kesner—Shaw 2 (placements). Horman (placement).

Substitutes: Southern—Mason, Malone, Stample, Martin, Butler, White, Kesner—Steele, Thompson, Brown, Martin, Rigsleman, E. Coffman, Bleh, Wilson, D. Wilson, Eukendahl, Boor, Carver, G. Bagger, Burgess, Burns, McDonald, Clark, Shaw, Jennings, Rogers, Chedister, Roberts, Mann, J. Bagger, Edwards, Melody, Teague, Frazer, G. Miller, T. Coffman, Pifer, T. Keller, Hamilton, J. Wilson, Johnson, Dennis, Smith, Sides, J. Montgomery, Giffin, George, Roby, Herkman, Thorne, Ridings, Witt, Spurling, Courrier, Shelton, Koken, Russ, Wilson, Tyler, Lewis, Sanders, Bosley, Wenzell, Slaughter.

NCAA Trying To Help Navy In Prep School Support

By GEORGE BOWEN

ANNAPOLIS, Md. (AP)—The National Collegiate Athletic Assn. is "trying to find a way" for the Naval Academy legally to continue its prep school support of athletes, Capt. Slade Cutter, athletic director, reported today.

"We're in violation" of present rules, admitted Cutter who began the Navy's customary three-year stint as athletic director last summer.

He said the NCAA "has been very helpful" in trying to reach a compromise in its rules to sanction what Cutter declares is an "above board" academy effort to help athletes get through prep school before enrollment at the naval academy.

The NCAA forbids all such aid before or after graduation although Cutter said the Naval Academy has been doing it before enrollment for years. The military academy at West Point has done the "same essentially," he said.

The original Navy football squad as listed for the season numbered 47 out of which 24 went to prep school and six to other colleges as freshmen.

Capt. Cutter claimed this preparatory training is necessary for most boys to gain entrance and stay in the Naval Academy. He said that 80 per cent of the entire enrollment of 3,600 has such extra study.

The "significant" difference between Naval Academy help for athletes and the so-called athletic scholarships of other colleges, Cutter said, is that Navy first considers academic need.

If further academic study is indicated, Cutter said, then an alumni foundation takes over and secondary determines what financial aid is required.

The foundation tries to obtain the scholarship for the boy and after he says "what he is able," it makes up the difference.

Capt. Cutter said the foundation ball Coach Eddie Erdelatz learned down to it. Erdelatz related, Rebe beat Notre Dame 20-6.

Erdelatz didn't reveal his "translator" for this Saturday's game with Duke.

He's going along with it after admitting he got the team 100 players and "even a soccer player, sometimes non-athletes," said only loss in seven games.

After that, he read the squad a fictitious telegram from "Rosie Ragoni" who supposedly was in a hospital and wanted a Navy victory dedicated to her.

The laughing middies complied. Out at Notre Dame last week where the Irish are noted for identifying and winning games for the late coach Knute Rockne or the famed player George Cipp, Coach Erdelatz pulled out all stops.

Don Harris, a third string guard, came in to the locker room before the game wearing a Chinese-like hat, his coat on backwards over his football uniform and a Buddha.

"I put a cigarette in Buddha's mouth and all the players bowed down to it," Erdelatz related. Rebe beat Notre Dame 20-6.

Erdelatz didn't reveal his "translator" for this Saturday's game with Duke.

ANNAPOLIS (AP)—Navy football Coach Eddie Erdelatz learned down to it. Erdelatz related, Rebe beat Notre Dame 20-6.

Erdelatz didn't reveal his "translator" for this Saturday's game with Duke.

Bob Turley Walks Out On Own Party

BALTIMORE (AP)—Bob Turley, New York Yankee pitcher, walked out on his own party last night because his wife couldn't come along.

The fireballer was to receive the Baltimore Sports Boosters "Sports Headliner Award," given yearly to the "outstanding athlete, native or permanent resident, who has brought credit to the city of Baltimore. Turley lives at nearby Lutherville.

Turley came with his wife. At the door, he was told the affair was strictly stag. After considerable discussion with banquet officials, Turley and his wife left. The plaque was accepted for him, when presentation time came, by Charles P. McCormick, Baltimore importer.

Appreciation awards went to Charley Eckman, Detroit Pistons, pro basketball coach; Max Bishop, celebrating his 20th year as base ball coach at the Naval Academy; and Manager Paul Richards of the Baltimore Orioles.

Don Campbell Breaks World Speed Record

CONISTON, England (AP)—Don Campbell today drove his jet-engined hydroplane "Bluebird" to a world record speed of 239.07 m.p.h. over the calm waters of Lake Coniston.

The 35-year-old son of the late water and land speed king, Sir Malcolm Campbell, held the previous world mark of 225.63.

A thin line of blue smoke and fumes trailed behind the craft as it rocketed down the lake, almost threatening to take to the air.

Campbell steered twice through the "flying kilometer" speed on the first trip, turned quickly about and came home in 218.024 after obviously throttling down.

Normal Buckley, chief observer, confirmed the average speed and said a claim would be made to the International Union of Motor Boating in Brussels for "an unrestricted world water speed record."

Rangers Break Tie, Lead Hockey League

By International News Service

The surprising New York Rangers stand all alone atop the National Hockey League today.

The red-hot Broadway Blues snapped a first-place tie with Montreal last night by whipping the Maple Leafs at Toronto, 4 to 2, in the league's only action.

The Rangers, figured in pre-season estimates as no better than a third-place team, had to come from behind to win.

NEW FORD TRUCKS for '58

NEW '58 FORD RANCHERO . . . America's first work-or-play truck!

NEW TILT CAB TRUCKS . . . Lowest-priced* Tilt Cab-line in America!

NEW '58 FORD PICKUP . . . Modern Styleside body is as wide as the cab and standard at no extra cost!

Step ahead...

with all that's new...costs less, too!

Meet America's newest, most modern trucks—Ford for '58! Discover the new advances in this pace-setting line. See the many advantages that help you do your job better and at lower cost!

Then match your specific requirements against Ford's over 300 new models. Whatever your need—from half-ton pickup to heavy duty tandem—Ford's got it! And you'll get a truck that costs you less to own, less to run and lasts longer, too.

So see your Ford Dealer today and step ahead with America's most modern truck—built modern to cost you less.

NEW capacity! Extra-wide Styleside pickup bodies have 23% more loadspace than any other competitive pickups . . . biggest loadspace per dollar!

NEW savings! Only Ford offers the modern styling and extra capacity of Styleside pickup bodies at no extra cost!

NEW easyride! Scientific Impact-O-Graph ride tests have proved amazing superiority of Ford's suspension over competitive pickups . . . a ride mighty close to that of a car!

NEW comfort! Driverized Cabs have non-sag seat springing, suspended pedals and weather-protected inboard steps.

NEW power! Powerful, more rugged V-8 engines! And only Ford offers Short Stroke economy in both Six and V-8!

NEW safety! "Safety Vision" dual headlights . . . Lifeguard steering wheel . . . and double-grip door locks . . . standard on all Ford trucks!

NEW Tilt Cab saving! America's lowest-priced* . . . hundreds of dollars less! Six new series, up to 60,000-lb. GCW.

NEW "fine car" conveniences! Ranchero offers all power assists, even power windows and air conditioning, factory-installed, at Ford's low prices.

*Based on a comparison of many "factures" suggested retail prices.

Tom Poston
"Discovered"
Many Times

By CHARLES MERCER
NEW YORK — So many people have been "discovering" Tom Poston for a number of years that we might as well discover him too. Since a "discovery" of Poston often results in his unemployment, he's somewhat reluctant to talk. But here goes anyway—
Poston is "the man in the street" who is regularly interviewed on the Steve Allen Show, NBC-TV, Sundays, 8 p. m. EST, and cannot remember his name. It began when Poston went to audition as a comedian on the Allen Show. Among other roles he plays well is that of a drunk. Of course nobody would hear to a drunk entering millions of living rooms via TV.
So somebody said in effect, "Look, Poston, we'll start as a straight interview. Now, I ask you, 'What's your name?'"
Then Poston, the inveterate actor, blinked and started and went through the frantic endeavor to remember his name. His questioner laughed—and called in another man. The second man laughed too. So it went, all the way up to Steve Allen—whose laugh assured Poston of the job. The Poston who appears on the Allen Show is only one of the numerous aspects of Poston.
After World War II service as a pilot, he studied acting and earned a precarious living for several years in road companies and TV soap operas. Finally he obtained a minor role in a Broadway play, "The Grand Prize." The critics gave him rave notices—and the play folded.
Next ABC-TV "discovered" him, signing him as star of "Entertainment," a daily two and a half-hour show. Critics liked Poston but blasted the show. It went off the air after 13 weeks.
Poston returned to summer stock. "It was sort of like the market," he says. "I kept doing stock and I kept getting broke." Then—another "discovery." A Hollywood screen test!
"To put it politely," recalls Poston, "I was a bomb."
Next, he was "discovered" after playing a straight TV dramatic role. Again the critics applauded. "The reaction was great," he says. "I didn't work on TV again for a year."
His next Broadway-bound show, in which he personally was praised, foundered on its Boston try-out. Last season a similar pattern: raves for Poston but the show folded.
A few weeks ago Poston was hired as top banana for an off-Broadway show, "The Best of Burlesque." He warned the producer that he was a jinx. But the show didn't fold. It's a success.
"Anybody want to be an actor?" Poston does. He's happily married, has a year-old daughter and a gray poodle. "It was a black poodle until it started worrying."

Clean Flag Prior
To Home Storage

Be sure your flag is spotlessly clean before storing it.
It's simple to wash most flags. Colorfast cotton can be washed by hand or machine in quite warm soap or detergent suds. Wool or rayon-and-wool flags need cooler water, as do silks and rayons. Rinse at the same temperature.
A flag should be hung for drying the same as for patriotic display: with the blue field to the right if flying vertically, with the field to the left if flying horizontally. Never allow the flag to touch the ground.

ASTHMA

Sufferers Find Cure For Milder Due To Asthma Attacks. Rushed Heat!
New hope for relief from asthma paroxysms is seen today in reports of success with a palliative formula which acts to relieve congestion. Men and women who formerly suffered with dread coughing, choking, wheezing asthma attacks now tell of blessed relief after using it. PROMETIN costs \$1.00 per bottle. (Caution—use only as directed.) PROMETIN is sold with strict money-back guarantee by Ford's Drug Store—54 N. Centre St., Cumberland—Mail Orders Filled.

Difficult Judging

HANOVER COURTHOUSE, Va.—Judges for the Hanover Farmers' Picnic were disappointed. Watermelons and cantaloupes were judged entirely on looks—no tasting.
There are some 4,000 miles of navigable inland waterways in Louisiana.

Lucille-Desi
Show Funnier
In Short Form

Critic Admits Good Fun In First Of Six Spectaculars
By JACK O'BRIAN
NEW YORK — (INS) — After some six seasons as "I Love Lucy," Desi Arnaz and Lucille Ball last night decided to put all their major acting money in the first of six CBS spectaculars, to be called "The Lucille Ball-Desi Arnaz Show."
Earlier in the same CBS evening, an old "I Love Lucy" episode gagged over the same TV network. The new "Lucy" format ran a hour and 15 minutes in its premiere. It was far too long. To put it swiftly, Lucille and Desi work better and funnier in a brief framework.
Last night's fictional reminiscence of the manner in which Lucy, as a stenographer in Cuba on one of those cruises, meets Ricky Ricardo, a horse-and-buggy chauffeur, had approximately the depth and comic wallop worthy of any of their half-hour shows.
There was some good fun in it, but dozens of their 30-minute shows have been funnier. They used several "name" guests (Rudy Vallee, Cesar Romero, Ann Sothern), but they've turned that same trick in their shorter shows for some seasons.
They naturally had Vivian Vance and Bill Frawley on hand, for no "Lucy" fiction would be without its freight without them. Still, it was no better than their customary cutdown comically for all the 75-minute pretensions of its so-called spectacular "new" design for laughing.
It was stated the new show necessitated its full hour and 15 minutes because the finished film was so perfectly pitted with laughs that no one knew where to cut. Instead, there were plenty of places to start slicing.
The show took Lucy and Ann Sothern (coffee break office pals) to Cuba, where Desi and Cesar Romero were fellow bummy pilots, and the Mertzes (Vivian Vance and Bill Frawley) also were first-meeting Lucy.
The situations led them, and us, through the expected cliches of Cuban bars and drum beating and serenading with noisily violent results, leading to jail and a drunk scene for the Misses Ball and Sothern.
Rudy Vallee played himself in his heyday, which was almost as funny as real life, but that willingly hammy gambit is one of Rudy's best acts, done in fact on "December Bride" only a few weeks ago. In brief, 75 minutes is a long, long time for such a small plot.
Polly Bergen's Sat show wins the honor of the season's first renewal.
Alfred Hitchcock didn't produce Monday's terrible "Suspension." MCA did...
Nannette Fabray replaces Patricia Mursel on The Diva's ABC Show tomorrow night. Pat's silenced by a bad throat...
Bert Lahr's co-star...
The Bing Crosby Dec. 11 CBS-TV show is off...
U. S. Steel's opus was pretty bad, but its performers (Brandon De Wilde, June Lockhart, Ralph Bellamy) played it like pros...

Area Baptist
Membership
Total Rises

The Western Baptist Association, which concluded its 87th annual session Friday at First English Baptist Church in Frostburg, reported member churches showed an increase of 155 members in the past year.
The reports submitted to the association's meeting showed the churches had 2,911 members in 1956 and 3,066 in 1957. Actually the churches obtained 270 new members during the past year but 115 old members were dropped from the rolls for various reasons.
The report also showed 210 baptisms during the year.
Membership in the Sunday schools, Women's Missionary Union and Baptist Brotherhood also showed increases. Only the Baptist Training Union program indicated a loss of membership.
The 12 member churches have 2,724 members on the rolls of the Sunday school, an increase of 209; the WMU has 432 members, increasing from 500 last year; while the Brotherhood increased 45 members from 103 to 148. The training union dropped four members from 461 in 1956 to 457 in 1957.
The treasurer's report showed a balance of \$1,163.02 as of September 30 this year. This includes \$740.52 designated for Western Baptist Youth Camp.
The balance in the treasury on October 1, 1956, was \$948.71.
Receipts and disbursements for the year totaled \$1,691.68, the report said.
Member churches and missions in the Western Baptist Association include Christ Memorial, First Baptist, Second Baptist, Grace Baptist, of Cumberland, Deep Creek, Ferndale, First English Baptist, Welsh Baptist, LaVale Baptist, Mountain Lake Park, First Baptist of Westernport and Bedford Road.
Rev. William C. Rogers, Mt. Lake Park, was elected association moderator for the coming year at the two-day session last week.

State Youth
Study Work
Is Continued

The Legislative Council yesterday approved a report by a study committee which requested the General Assembly to appoint a committee to continue the study of youth authorities and commissions in Maryland. The committee is headed by Senator Charles M. See.
The committee, appointed as a result of Senate Resolution 37 sponsored by the Allegany County senator, was asked to study the feasibility of placing state institutions and camps having the care and custody of minors under the control of a new state agency.
It said it had studied procedures used in several states which created youth commissions or authorities but did not feel competent to recommend the creation of a similar agency in Maryland at present.
In asking the continued study, the committee said the group should study and discuss legislation for placing the responsibility for juvenile delinquency on the parents of the offenders.
Authority was also asked for the group to study plans for establishing a uniform age for juveniles, which now varies in Maryland between 16 and 18.
The report also suggested study on the method and efficacy of after-care supervision of juveniles released from training schools.
Senator See was the only Republican legislator named to head a study committee by the Legislative Council. The honor usually is given to a senator or delegate from the majority party.

Your Horoscope

Look in the section in which your birthday comes and find what your outlook is, according to the stars.

For Friday, November 8, 1957:
MARCH 21 to APRIL 20 (Aries) — Mixed vibrations. Personal and family affairs, business and confidential matters, highly favored. He careful in making contracts, estimates, in business transactions generally.
APRIL 21 to MAY 21 (Taurus) — Your Venus in friendly position. Don't date. Maintain a productive tempo. Follow a sensible course, using all your talents and abilities to best advantage. When you quicken your mind, "blame down" you achieve more.

JUNE 22 to JULY 23 (Cancer) — Fine Moon vibrations. Be alert; curb over-sensitiveness. Submit to authority, listen to sound advice but don't heed idle rumors. Gains indicated for good efforts.

JULY 24 to AUGUST 23 (Leo) — A good time to finish incomplete tasks, to rid desk or bench of items to be cleared, to begin the new week. Cooperate with others to further ambitions.

AUGUST 24 to SEPTEMBER 23 (Virgo) — While the planets are not particularly stimulating for bright ideas or creative work, you can still accomplish much. Study and research should advance rapidly.

SEPTEMBER 24 to OCTOBER 23 (Libra) — Heed advice to Taurus now! This can be a constructive period even though it may not be a spectacular one. Be persevering, regular, and don't hesitate to try new ideas, methods.

OCTOBER 24 to NOVEMBER 23 (Scorpio) — Mild Saturn rays. Day should be more helpful than otherwise. However, beware of influences from other planets should help and encourage you. Art, science especially honored.

NOVEMBER 24 to DECEMBER 31 (Sagittarius) — Financial matters may be better to manage than other things but patience will help close attention to detail. Home, family and friendships can bring much happiness.

DECEMBER 1 to JANUARY 31 (Capricorn) — Influences are friendly to (familiar matters, trades, professions, and work where skill, finesse and industry are essential. Keep your duties with faith; maintain your sense of humor.

JANUARY 1 to FEBRUARY 28 (Aquarius) — Don't go too far out on the limb of adventure, but do keep pace with those who are accomplishing in unusual ways. Make new bids for advancement; don't be content to stay "put" ahead.

FEBRUARY 29 to MARCH 20 (Pisces) — Important influences from Neptune. You can achieve a great deal now if you know what you are doing. Confidential work, handling of finances among many favored activities.

YOU BORN TODAY are endowed with a bright mind, great versatility and the capability to manage business, musical groups, any organized undertaking, the career of your health as you strive to succeed. You need regular periods of complete relaxation and diversion from steady grind. Control tendency to procrastinate, and maintain a steady pace in all that you do. Develop your artistic side.

(King Features Syndicate, Inc.)

Trade Becomes Exacting Science

ANN ARBOR, Mich. — (INS)—About 100 years ago, the following sign would probably be seen hanging on a druggist's door:

"No prescriptions filled today. Pharmacist is out in the woods gathering more drugs."

Dr. Frederick F. Blicke of the University of Michigan College of Pharmacy says it was so because in those days materials of the pharmacist's trade occurred naturally, such as sassafras, coal tar, cherry bark and dried animal. He said:

"Where the mixing of drugs was a skilled trade many years ago, today it is an exacting science. Where 100 years ago there were neither pharmaceutical manufacturers as we know them today, nor academic courses in pharmacy at any university, today research in pharmaceutical chemistry is a strong part of the university's graduate program."

They'll Do It Every Time

By Jimmy Hatlo

Horses Make Comeback On Paris Streets

PARIS — (INS) — Horse-drawn delivery wagons are making a slow comeback in sophisticated Paris.

During the Suez crisis last November Paris police received more registration requests for "horsemobiles" than during the three preceding years.

One big mineral-water merchant reopened his stable in the center of the city and installed six horses-in-waiting.

A competitor, not to be outdone by him or undone by the gas shortage, set up house for thirty horses.

Gasoline once again is plentiful in Paris, but sells for 79 cents a gallon, based on the new rate of 420 francs per dollar. Thus both merchants are holding on to their horses; Operation Clap-Clop continues.

Paris law allows vehicles to be "powered" by horses, donkeys or mules. Dogs can become beasts of burden only in special cases.

SRC Facing New Problem With Tunnel

BALTIMORE (AP)—The State Roads Commission, which changed the opening date for the Baltimore Harbor Tunnel to please the Legislative Council, now has a new complaint.

Henry A. Barnes, Baltimore's traffic and transit director, says the new plan will create a monumental traffic jam.

Dedication of the 130-million-dollar tunnel had been set for 10 a.m. Saturday, Nov. 30, with the tunnel to be opened to traffic at 12:01 a.m. Dec. 1.

Council members said the tunnel should be opened by Saturday morning for use by Army-Navy game traffic, so the dedication was moved up to 2:30 p.m. Friday, Nov. 29, and the opening to 12:01 a.m. Saturday.

The SRC had no sooner acted yesterday than Barnes expressed his views in no uncertain terms.

"If they go through with this plan," he said, "I'll do my best to keep traffic moving, but I don't intend to take responsibility for the jam that will occur. I'm not happy about this at all, but we'll do our best to keep things moving."

Blaze Damages Movie Building

BALTIMORE (AP)—The basement and part of the first floor of the five-story Morris Building were damaged by fire early today.

Four alarms were turned in bringing more than 25 pieces of fire equipment to the downtown location.

Two firemen were slightly injured.

In addition to the basement, there was fire damage to a travel agency on the first floor and smoke damage elsewhere in the building which also houses Baltimore area Boy Scout headquarters.

Births

KENNEL—Mr. and Mrs. William K. Corriganville, a daughter last night in Memorial Hospital.

SHANHOLTZ—Mr. and Mrs. James, RD 1, Flintstone, a son last night in Memorial.

STEMPLE—Mr. and Mrs. Roland, Rockville, a daughter on November 3 at Washington Hospital in Takoma Park. The maternal grandparents are Mr. and Mrs. Thomas Wolring of Christie Road. The paternal grandparents are Mr. and Mrs. Victor Stemple of Ridgeley.

STOTT—Mr. and Mrs. Albert, 710 North Centre Street, a son yesterday in Memorial.

Fun Night Scheduled For Tomorrow Night

Columbia Street School parents and teachers will hold their annual Fun Night on Friday at 7 p. m. at the school. The event was originally planned for October 18.

The program will include a bake sale, hobby show, bazaar, rummage sale, horror show, movies, fish pond and games.

William Pugh and Mrs. John Saville are chairmen for the event.

Services Conducted For B&O Engineer

BALTIMORE (AP)—Funeral services will be held here tomorrow for Miss Olive W. Dennis, retired research engineer for the Baltimore and Ohio Railroad and first woman member of the American Railway Engineering Assn.

She died Tuesday. Miss Dennis served as engineering consultant for the Office of Defense Transportation during World War II.

Luddy Promoted

BALTIMORE (AP)—Joseph J. Luddy, an employee of the Baltimore and Ohio Railroad's accounting department since 1917, has been appointed assistant comptroller in charge of disbursement accounts.

About 250,000 barrels of oil reserves have been found for each new well completed in California during the past 15 years.

Obituary

(Continued from Page 15)

Adolph Goebel
FROSTBURG—Adolph Goebel, 73, died yesterday afternoon in McKeesport, (Pa.) hospital after being ill a week.

He was born in Frostburg, the son of the late Henry and Christina (Gerlach) Goebel.

He is survived by his widow, Mrs. Marie Goebel, two sons, William Goebel, Frostburg, and Paul Goebel, Greenock, Pa.; three daughters, Mrs. Donald Hansel, Irwin, Pa.; Mrs. Helen D'Happart, McKeesport, and Mrs. Ruth Winners, Grahamstown; a brother, William Goebel, Cumberland and seven grandchildren.

The body is at Craig Funeral Home, McKeesport, and burial will be in McKeesport on Saturday.

George Vinci
BARTON—George Vinci, 66, died Tuesday in a veterans hospital in Erie, Pa.

He was born in Italy and was a son of the late Mr. and Mrs. Gregory Vinci. He is survived by a brother, Philip Vinci, McMullen Highway.

The body is at the home of his niece, Mrs. Winner Colner, Bar Smith Services.

Services for George E. Smith
67, of 548 Greene Street, who died Monday in Detroit, will be conducted tomorrow at 2 p. m. at the George Funeral Home.

Rev. William R. Snyder, pastor of St. Luke's Lutheran Church, will officiate and interment will be in Hillcrest Burial Park.

Funeral services will be held for Robert L. Hall, Paul Monnett, Carl A. Tressman, Bernard P. Beaky, Harold F. Kelly and W. H. Hayburn.

John M. Horchler
GRANTSVILLE—John M. Horchler, 63, of near here, died yesterday at Meyersdale Community Hospital.

A native of this area, he was a son of the late Lewis and Mary Ann (Wiley) Horchler. Mr. Horchler was a member of Grantsville Lutheran Church.

Also surviving besides his widow, Jane (Layman) Horchler, are five sons, Luther and Brydon, both of Pittsburgh; Randall, Akron, Ohio, and Mark and Dale Horchler, both of Detroit, Mich.; two daughters, Mrs. Alice Banks, Detroit, and Mrs. Mary Ann Barnett, Cullman, Ala.; a brother, James Horchler, Garrett County; and a half-brother, Samuel Horchler, great-granddaughter.

Services were held today at the Thrush Funeral Home, with Rev. Charles Paskell, pastor of the First Methodist Church, officiating, assisted by Rev. Richard Morgan, pastor of the Moorefield Presbyterian Church. Interment was in the Olivet Cemetery.

Mrs. Esta Bennett
CLARKSBURG—Services for Mrs. Esta E. Bennett, 53, of Quiet Dell, who died last Monday at a local hospital, were conducted yesterday by Rev. James Kennedy. Interment was in the Stonewall Cemetery.

A native of Eglon (Preston County), she was born June 9, 1904, a daughter of the late John and Phoebe Jane (Waybright) Helmick.

Survivors include her husband, James P. Bennett; five daughters, Mrs. Dorothy Drake, Cassville; Mrs. Elettia Morgan, of Canton, home located several hundred yards off Route 55 about half a mile from Midland.

Dr. H. V. Denning, deputy medical examiner, said Mr. Miller suffered a heart attack and had been dead for about two weeks.

Also surviving besides his sister, are his wife, Mrs. Janet (Miller) Miller, Baltimore; two daughters, Mrs. John Neilson, Frostburg, and Mrs. Charles Andrath, Baltimore; two sons, Harold L. and Henry M. Miller, both of Baltimore; two brothers, George J. Miller, Lonaconing, and Leslie Miller, Westernport, and four grandchildren.

The body is at the Eichhorn Funeral Home, Lonaconing.

Edward M. Tucker
MOOREFIELD—Edward M. Tucker, 80, died Saturday at his home here following an extended illness.

Born near Inkerman, he was a son of the late Erasmus and Alice (Hull) Tucker.

Mr. Tucker served as postmaster for eight years at Moorefield, had been a station agent for the Baltimore and Ohio Railroad at McNeill, West Romney and Moorefield, and was also in the mercantile business for some time. He was a member of Duffey Memorial Methodist Church.

Surviving are his widow, the former Miss Grace Paskell; two daughters, Mrs. Alice Turner, Elkins, and Mrs. Fanny Didawick; three grandchildren, and one great-granddaughter.

Services were held today at the Thrush Funeral Home, with Rev. Charles Paskell, pastor of the First Methodist Church, officiating, assisted by Rev. Richard Morgan, pastor of the Moorefield Presbyterian Church. Interment was in the Olivet Cemetery.

Eversole Services

Services for Mrs. Florence E. Eversole, 75, of 925 Grand Avenue, who died yesterday in Memorial Hospital, will be conducted Sunday at 2:30 p. m. at the First EUB Church.

Dr. E. E. Miller, pastor, will officiate and interment will be in the Fort Ashby Cemetery.

Services will be conducted Saturday at 10:45 a. m. at Grantsville Lutheran Church by Rev. Edward Noel, pastor. Burial will be in New Germany Cemetery.

The body is at the residence.

Louis J. Miller
MIDLAND—Louis Jacob Miller, 55, of here, was found dead yesterday in a small creek near his home.

Miller, who lived alone, was found by his sister, Mrs. Deborah Pakenbaker of Lonaconing, after neighbors notified her that her brother hadn't been seen around his home during the past two weeks.

Mrs. Fazenbaker found her brother's body lying under a small bridge over a creek which ran down in front of the Miller home, located several hundred yards off Route 55 about half a mile from Midland.

Dr. H. V. Denning, deputy medical examiner, said Mr. Miller suffered a heart attack and had been dead for about two weeks.

Also surviving besides his sister, are his wife, Mrs. Janet (Miller) Miller, Baltimore; two daughters, Mrs. John Neilson, Frostburg, and Mrs. Charles Andrath, Baltimore; two sons, Harold L. and Henry M. Miller, both of Baltimore; two brothers, George J. Miller, Lonaconing, and Leslie Miller, Westernport, and four grandchildren.

The body is at the Eichhorn Funeral Home, Lonaconing.

Deer Victim Of Arrow Shot

CAMBRIDGE (AP)—Frank Friedel of Seaford, Del., not to be outdone by his brother, brought down a button buck deer with bow and arrow yesterday near Drawbridge.

It was the third deer killed in Dorchester County during the current bow and arrow season. Friedel's brother Calvin got one of the two others last Monday.

Frank's deer was taken at Grif-in Neck. It dressed out to 47 pounds.
